STATE OF OHIO, ex rel.
LEE FISHER
ATTORNEY GENERAL OF OHIO,

Plaintiff,

vs.

CITY OF HUDSON VILLAGE,

Defendant.

: SUMMIT CASE NO. _____
: CLERK OF COURT ASSIGNED TO JUDGE SCHNEIDERMAN
: JUDGE _____

: CONSENT ORDER

The Complaint in the above-captioned matter having been filed herein, and the Plaintiff State of Ohio by its Attorney General Lee Fisher (hereinafter "Plaintiff") and Defendant City of Hudson Village (hereinafter "Hudson") having consented to the entry of this Order,

NOW THEREFORE, without trial of any issue of fact or law, and upon consent of the parties hereto, it is hereby ORDERED, ADJUDGED AND DECREED as follows:

I. JURISDICTION AND VENUE

1. The Court has jurisdiction over the parties and the subject matter of this case. The Complaint states a claim upon which relief can be granted against Defendant Hudson under Chapter 6111 of the Ohio Revised Code, and venue is proper in this Court.

II. PARTIES

2. The provisions of this Consent Order shall apply and be binding upon the parties to this action, their agents, officers, employees, assigns, successors in interest and any person acting in concert or privity with any of them. Defendant Hudson shall provide a copy of this Consent Order to each contractor it employs to perform work itemized herein, and each general contractor shall provide a copy of this Consent Order to each of its subcontractors for such work.

III. SATISFACTION OF LAWSUIT

3. Plaintiff alleges in its Complaint that Defendant Hudson has operated its wastewater treatment plant and sewer system in such a manner as to result in violations of the discharge limitations and monitoring requirements of the NPDES permit issued to it by the Director of Ohio EPA and in violation of the water pollution laws of the State of Ohio. Defendant Hudson, however, denies the allegations in the complaint and does not admit liability for the violations alleged in the complaint. Compliance with the terms of this Consent Order shall constitute full satisfaction of any civil liability by Defendant Hudson for all claims under such laws alleged in the Complaint. Nothing in this Order shall be construed to limit the authority of the State of Ohio to seek relief for claims or conditions not alleged in the Complaint, including violations which occur after the filing of the Complaint.

IV. COMPLIANCE SCHEDULE

4. Defendant Hudson is hereby enjoined and ordered to immediately comply with the requirements of Chapter 6111 of the Ohio Revised Code and the terms and conditions of the rules and regulations adopted under that Chapter and its currently effective NPDES permit, and any renewals or modifications thereof, except for the final effluent limitations set forth in said permit. Between the effective date of this Consent Order and November 15, 1995, Defendant Hudson is enjoined and ordered to comply with the interim effluent limitations set forth in Appendix "A" attached hereto. The interim effluent limits contained in Appendix "A" do not constitute an NPDES permit or a modification of any existing permit. After November 15, 1995, Defendant Hudson is enjoined and ordered to meet the final effluent standards set forth in its NPDES permit No. 3PD00044*BD and any renewals or modifications thereof. Hudson is hereby enjoined and ordered to properly operate and maintain its wastewater treatment plant and any associated equipment and structures.

V. CONSTRUCTION SCHEDULE

5. Defendant Hudson is enjoined and ordered to complete construction of the improvements to its wastewater treatment plant and to attain compliance with the final effluent limitations of NPDES permit No. 3PD00044*BD, and any

modifications or renewals thereof, in accordance with the following schedule:

<u>TASK</u>	<u>COMPLETION DATE</u>

(b) Submit General Plan	July 1, 1992
(c) Initiation of Project Design	August 26, 1992
(d) Submittal of Approvable Plans and Specifications to Ohio EPA	June 1, 1993

(f) Execution of Building Contracts	January 1, 1994
(g) Initiation of Construction	February 1, 1994

6. Within seven (7) days from the completion date of each milestone listed above, Defendant Hudson shall submit to Ohio EPA's Northeast District Office a written report stating whether it has performed the action set forth therein.

7. Within seven (7) days of entry of this Order, Defendant Hudson is enjoined and ordered to place tertiary filters on-line, and to properly and continuously maintain operation of the filters thereafter.

8. This Consent Order does not constitute authorization or approval of the construction of any physical structure or facilities, or the modification of any existing treatment works or sewer system. Approval for any such construction or modification shall be by permit issued by Ohio EPA or other such

permits as may be required by applicable federal, state, or local laws, rules or regulations.

VI. CIVIL PENALTY

9. Defendant Hudson shall pay to the State of Ohio a civil penalty of thirty thousand dollars (\$30,000.00). The penalty shall be paid by delivering to Janis Miller, Administrative Assistant, Environmental Enforcement Section of the Attorney General's office, a certified check for that amount, payable to the order of "Treasurer, State of Ohio" within forty-five days from the date of entry of this Consent Order.

VII. STIPULATED PENALTIES

10. In the event that Defendant Hudson fails to meet any of the requirements of this Consent Order set forth in Paragraphs 4, 5(a), 5(b), 5(c), 5(d), 5(e), 5(f) and 5(g) including any scheduled milestone requirement, the Defendant Hudson shall immediately and automatically be liable for and shall pay a stipulated penalty according to the following payment schedule. For each day of each failure to meet a requirement, up to thirty days - \$500.00 per day per requirement not met. For each day of each failure to meet a requirement, from thirty-one to sixty days -\$1,000.00 per day per requirement not met. For each day of each failure to meet a requirement, from sixty-one to ninety days- \$2,500.00 per day

per requirement not met. For each day of each failure to meet a requirement, after ninety days - \$3,500.00 per day per requirement not met.

11. In the event that Defendant Hudson fails to meet any of the requirements of this Consent Order set forth in Paragraph 5(h), the Defendant Hudson shall immediately and automatically be liable for payment of a stipulated penalty of \$5,000.00 per day of violation of said requirement. The Defendant Hudson shall be liable for an additional stipulated penalty of one thousand dollars (\$ 1,000.00) per day of violation if the failure to comply continues for more than thirty (30) days, i.e. six thousand dollars (\$6,000.00) per day of violation. In the event that failure to comply with the requirements of Paragraph 5(h) continues more than sixty (60) days, Defendant Hudson shall be liable for an additional four thousand dollars (\$4,000.00) per day of violation, i.e., ten thousand dollars (\$10,000.00) per day of violation.

12. Any payment required to be made under the provisions of Paragraphs 10 or 11 of this Order shall be made by delivering to the same Janis Miller, identified in paragraph 9, a certified check or checks for the appropriate amounts, within forty-five days from the date of the failure to meet the requirement of the Consent Order, made payable to "Treasurer, State of Ohio".

VIII. POTENTIAL FORCE MAJEURE

13. If any event occurs which causes or may cause a delay of any requirement of this Consent Order, Defendant Hudson shall notify the Ohio EPA, Northeast District Office, in writing within ten (10) days of the event, describing in detail the anticipated length of the delay, the precise cause or causes of the delay, the measures taken and to be taken by Defendant to prevent or minimize the delay and the timetable by which measures will be implemented. Defendant will adopt all reasonable measures to avoid or minimize any such delay

14. In any action by the Plaintiff to enforce any of the provisions of this Consent Order, Defendant may raise that it is entitled to a defense that its conduct was caused by reasons entirely beyond its control such as, by way of example and not limitation, acts of God, strikes, acts of war or civil disturbances. While the Plaintiff does not agree that such a defense exists, it is, however, hereby agreed upon by Defendant and the Plaintiff that it is premature at this time to raise and adjudicate the existence of such a defense and that the appropriate point at which to adjudicate the existence of such a defense is at the time that an enforcement action, if any, is commenced by the Plaintiff. At that time, the burden of proving that any delay was or will be caused by circumstances entirely beyond the control of Defendant shall rest with Defendant. Unanticipated or increased costs associated with

the implementation of any action required by this Consent Order, or changed financial circumstances, shall not constitute circumstances entirely beyond the control of Defendant or serve as a basis for an extension of time under this Consent Order. Failure by Defendant to comply with the notice requirements of Paragraph 13 shall render this Paragraph 14 void and of no force and effect as to the particular incidence involved and shall constitute a waiver of Defendant's right to request an extension of its obligations under this Consent Order based on such incident. An extension of one compliance date based on a particular incident does not mean that Defendant qualifies for an extension of a subsequent compliance date or dates. Defendant must make an individual showing of proof regarding each incremental step or other requirement for which an extension is sought. Acceptance of this Consent Order without a Force Majeure Clause does not constitute a waiver by Defendant of any rights or defenses it may have under applicable law.

IX. RETENTION OF JURISDICTION

15. The Court will retain jurisdiction of this action for the purpose of making any order or decree which it deems appropriate to carry out this Consent Order.

X. COSTS

16. Defendant Hudson is hereby ordered to pay the costs of this action.

Defendant.	:	

The Complaint in the above-captioned matter having been filed herein, and the Plaintiff State of Ohio by its Attorney General Betty D. Montgomery (hereinafter "Plaintiff") and Defendant Hudson (hereinafter "Hudson") having consented to the entry of a prior Consent Order entered on October 22, 1992 (hereinafter "the '92 Order"), and

WHEREAS, the '92 Order was entered to resolve Hudson's violations of O.R.C. Chapter 6111. and the regulations adopted thereunder and which required the payment of a \$30,000 civil penalty, which penalty was paid by Hudson, and

WHEREAS, paragraph number 5 of the '92 Order requiring the elimination of all dry weather bypasses and overflows has been violated by Defendant Hudson, thereby rendering Hudson in contempt of court, and

WHEREAS, Defendant Hudson has agreed to abandon its existing wastewater treatment plant in order to connect to the Cuyahoga Valley Interceptor (hereinafter "CVI"), and

WHEREAS, certain provisions of the '92 Order need to be modified to accommodate construction of the improvements necessary to eliminate all

discharges from and to result in the abandonment of Hudson's wastewater treatment plant in order to connect with the CVI,

NOW THEREFORE, without trial of any issue of fact or law, and upon consent of the parties hereto, it is hereby ORDERED, ADJUDGED AND DECREED as follows:

I. JURISDICTION AND VENUE

1. The Court has jurisdiction over the parties and the subject matter of this case. The Complaint states a claim upon which relief can be granted against Defendant Hudson under Chapter 6111. of the Ohio Revised Code, and venue is proper in this Court.

II. PARTIES

2. The provisions of this Modified Consent Order shall apply and be binding upon the parties to this action, their agents, officers, employees, assigns, successors in interest and any person acting in concert or privity with any of them. Defendant Hudson shall provide a copy of this Modified Consent Order to each contractor and/or consultant it employs to perform work itemized herein, and each general contractor shall provide a copy of this Modified Consent Order to each of its subcontractors for such work.

III. SATISFACTION OF LAWSUIT

3. Plaintiff alleges in its Complaint that Defendant Hudson has operated its wastewater treatment plant and sewer system in such a manner as to result in violations of the discharge limitations and monitoring requirements of the

National Pollutant Discharge Elimination System ("NPDES") permit issued to it by the Director of Ohio EPA and in violation of the water pollution laws of the State of Ohio. Defendant Hudson, however, denies the allegations in the complaint and does not admit liability for the violations alleged in the complaint. Compliance with the terms of this Modified Consent Order shall constitute full satisfaction of any civil liability by Defendant Hudson for all claims under such laws alleged in the Complaint, and shall constitute full satisfaction for Hudson's contempt of court for violating the prior '92 Order. Nothing in this Modified Consent Order shall be construed to limit the authority of the State of Ohio to seek relief for claims or conditions not alleged in the Complaint, including violations which occur after the filing of the Complaint.

IV. COMPLIANCE SCHEDULE

4. Defendant Hudson is hereby enjoined and ordered to immediately comply with the requirements of Chapter 6111 of the Ohio Revised Code and the terms and conditions of the rules and regulations adopted under that Chapter and its currently effective NPDES permit, and any renewals or modifications thereof, except for the final effluent limitations set forth in said permit. The interim effluent limits contained in Appendix "A" do not constitute an NPDES permit or a modification of

any existing permit. After June 17, 1998, Defendant Hudson is enjoined and ordered to cease all discharge from its wastewater treatment plant and to abandon its wastewater treatment plant and collection system. From the effective date of this Modified Consent Order and continuing until June 17, 1998, Hudson is hereby enjoined and ordered to properly operate and maintain its wastewater treatment plant and any associated equipment and structures.

V. CONSTRUCTION SCHEDULE

5. Defendant Hudson is enjoined and ordered to abandon its wastewater treatment plant, connect into the CVI, and cease all discharge into waters of the State in accordance with the following schedule:

Northeast District Office, 2110 E. Aurora Road, Twinsburg, Ohio 44087, attn: Keith Riley, Division of Surface Water, a written report stating whether Defendant has performed the action set forth therein.

7. This Modified Consent Order does not constitute authorization or approval of the construction of any physical structure or facilities, or the modification of any existing treatment works or sewer system. Approval for any such construction or modification shall be by permit issued by Ohio EPA or other such permits as may be required by applicable federal, state, or local laws, rules or regulations.

VI. CIVIL PENALTY

8. For violating the requirements of the '92 Order, Defendant Hudson shall pay to the State of Ohio a civil penalty of thirty thousand dollars (\$30,000.00). The penalty shall be paid by delivering to Matthew Sanders, Administrative Assistant, Environmental Enforcement Section of the Attorney General's office, 30 E. Defendant Hudson shall be liable for an additional stipulated penalty of one thousand dollars (\$1,000.00) per day of violation if the failure to comply continues for more than thirty (30) days, i.e. six thousand dollars (\$6,000.00) per day of violation. In the event that failure to comply with the requirements and/or deadline of Paragraph 5(h) continues more than sixty (60) days, Defendant Hudson shall be liable for an additional four thousand dollars (\$4,000.00) per day of violation, i.e., ten thousand dollars (\$10,000.00) per day of violation.

Defendant will adopt all reasonable measures to avoid or minimize any such delay.

13. In any action by the Plaintiff to enforce any of the provisions of this Modified Consent Order, Defendant may raise that it is entitled to a defense that its conduct was caused by reasons entirely beyond its control such as, by way of example and not limitation, acts of God, strikes, acts of war or civil disturbances. While the Plaintiff does not agree that such a defense exists, it is, however, hereby agreed upon by Defendant and the Plaintiff that it is premature at this time to raise and adjudicate the existence of such a defense and that the appropriate point at which to adjudicate the existence of such a defense is at the time that an enforcement action, if any, is commenced by the Plaintiff. At that time, the burden of proving that any delay was or will be caused by circumstances entirely beyond the control of

Defendant shall rest with Defendant. Unanticipated or increased costs associated with the implementation of any action required by this Modified Consent Order, or changed financial circumstances, shall not constitute circumstances entirely beyond the control of Defendant or serve as a basis for an extension of time under this Modified Consent Order. Failure by Defendant to comply with the notice requirements of Paragraph 12 shall render this Paragraph 13 void and of no force and effect as to the particular incident involved and shall constitute a waiver of Defendant's right to request an extension of its obligations under this Modified Consent Order based on such incident. An extension of one compliance date based on a particular incident does not mean that Defendant qualifies for an extension of a subsequent compliance date or dates. Defendant must make an individual showing of proof regarding each incremental step or other requirement for which an extension is sought. Acceptance of this Modified Consent Order without a Force Majeure Clause does not constitute a waiver by Defendant of any rights or defenses it may have under applicable law.

IX. RETENTION OF JURISDICTION

14. The Court will retain jurisdiction of this action for the purpose of enforcing Defendant Hudson's compliance with the terms and provisions of this Modified Consent Order.

X. EFFECT OF MODIFIED CONSENT ORDER
