ORDER

* * * *

WALINSKI, J.

This cause came to be heard on plaintiffs' objection to the January 29, 1985 Report and Recommendation of the United States Magistrate. The one sentence, general objection is not supported by any reference to facts in the record or bolstered by relevant case law. Accordingly, the objection is not specific enough to warrant de novo review by this Court. There being no showing that the Report and Recommendation is clearly erroneous or contrary to law, it is therefore,

ORDERED that plaintiffs' objection is found to be not well taken and same is denied.

FURTHER ORDERED that the January 29, 1985 Report and Recommendation of the United States Magistrate is adopted as the Order of this Court. Defendants' motion for summary judgment is granted and plaintiffs' motion for summary judgment is denied.
