CLERK OF COURT
TRUMBULL COUNTY, OHIO

This cause came before this Court for a jury trial running from July 22, 1982 to August 26, 1982. On August 26 the jury rendered its verdict in favor of the Plaintiff on three counts of its amended complaint. Wherefore, it is hereby ordered that, based upon the jury's findings that the Defendant David A. Waldron & Associates, Inc. have violated Section 6111.04 of the Revised Code on three occasions, and pursuant to Section 6111.07 of the Revised Code, Defendant David A. Waldron & Associates, Inc. is hereby ordered, enjoined and directed to cease, desist and refrain from committing violations of Chapter 6111.04 which states in relevant part as follows:

No person shall cause pollution or place or cause to be placed any sewage, industrial waste, or other wastes in a location where they cause pollution of any waters of the state, and any such action is hereby declared to be a public nuisance, except in such cases where the Director of Environmental Protection has issued a valid and unexpired permit or renewal thereof, as provided in Section 6111.01 to 6111.08 of the Revised Code, or an application for renewal is pending. It is understood that this order does not prohibit the application of industrial wastes or other waste, specifically salt water, to unpaved roads as long as no pollution results as defined herein. Plaintiff's request for injunctive relief against Defendant David A.

Waldron individually is hereby denied.

WHEREFORE, IT IS SO ORDERED.
