CASE NO. **12-CV-0198**

JUDGMENT ENTRY

The Court has reviewed the certified transcript of the record of the proceedings and the briefs of the appellant and appellee.

This Court is very limited as to what it can review. Unless this Court finds that the decision was unlawful, unreasonable or contrary to the manifest weight of the evidence, it must affirm the prior decision.

The review of the record does not indicate that the decision of the commission was unlawful, unreasonable or against the manifest weight of the evidence, therefore the decision of the commission is affirmed and Appellant, Pamela J. Harbour is denied unemployment compensation benefits.
