This case is an unemployment compensation administrative appeal. Ms. Jacobs did not include her former employer as a party-appellee in her notice of appeal. Because R.C. 4141.282 (D)'s requirement to include all interested parties in the notice of appeal is mandatory to invoke the jurisdiction of the Court, this Court has no jurisdiction over this matter.

The motion to dismiss filed by appelle Director, Ohio Unemployment Compensation Review Commission is therefore well taken. This matter is DISMISSED with prejudice.
