Lisa Novinger
CLERK OF COURTS

The Court having reviewed the entire file herein finds that Revised Code Section 4141.282(H) provides the mechanism for appealing the decision of the Commission to the Common Pleas Court. The Court further finds that the Common Pleas Court must affirm the Commission's decision unless it was unlawful, unreasonable, or against the manifest weight of the evidence.

The Court having reviewed the entire file herein finds that the Commission's decision was not unlawful, unreasonable, or against the manifest weight of the evidence, and therefore DENIES plaintiff, Donald Taulbee's claim. Based upon the foregoing, the case is hereby dismissed.

There being no just cause for delay, this is a final appealable order.

Court costs assessed to Plaintiff.

SO ORDERED.
