This case is an unemployment compensation appeal. In a final administrative decision, the Unemployment Compensation Review Commission disallowed Appellant Matthew Jacobs' Request for Review and denied benefits to Appellant.

On appeal to this Court, Appellant has not filed a brief as required by Judgment Entry issued on January 27, 2014 by this Court, which brief was due on or before March 28, 2014. Appellee's Motion to Dismiss for Failure to Prosecute is therefore well taken. Accordingly, Appellant's appeal is dismissed for lack of prosecution.
