JUDGE TYGH TONE

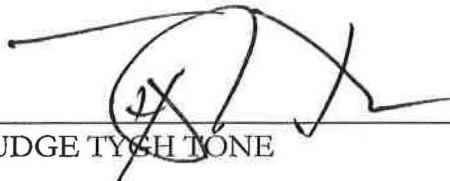

CASE NO. 2014CV0719

ORDER

This case is an unemployment compensation administrative appeal. Appellant did not identify the administrative decision being appealed. Because R.C. 4141.282(C)'s requirement that the administrative decision being appealed be identified in the notice of appeal is mandatory to invoke the jurisdiction of this Court, this Court has no jurisdiction over this matter.

The motion to dismiss filed by appellee Director, Ohio Department of Job and Family Services is therefore well taken. This matter is DISMISSED with prejudice.
