This case is before the court on appeal from the final decision of the Ohio Unemployment Compensation Review Commission, which refused to review the decision of the Commission hearing to deny benefits to Appellant Geovanny Mejia.

Appellant has not filed a brief in this case as required by the Clerk's Original Briefing Schedule. Appellee's motion to dismiss for failure to prosecute is therefore well taken. Accordingly, Appellant's appeal is dismissed for lack of prosecution. This is a final appealable order and there is no just cause for delay. The Clerk shall serve a copy of this order on all parties in accordance with Civ. R. 58(B).

Costs to Appellant.
