ENTRY

Defendant.

:

This matter is before the Court upon the administrative appeal filed by Appellant, John Walsh, wherein he challenges the property of the Adjudication Order ("order") of the Registrar of the Ohio Bureau of Motor Vehicles ("Registrar"), resulting in a supervision of Appellant's commercial driver's license.

For the reasons set forth in Appellant's Brief, the Court finds that the Order of the Registrar was supported by reliable, probative and substantiated evidence and is in accordance with the law. The Court therefore affirms the order of the Registrar. Costs assessed to Appellant.
