**DECISION AND ENTRY
GRANTING RESPONDENT'S MOTION TO DISMISS**

Pursuant to Civ.R. 12(B)(1), Respondent Ohio Civil Rights Commission has moved this Court to dismiss Petitioner Mayo's Petition for Judicial Review of the Commission's October 22, 2015 Final Order. Pursuant to O.R.C. 4112.06(H), O.A.C. 4112-1-09, and *Ramsdell v. Ohio Civ. Rights Comm'n*, 56 Ohio St.3d 24, 25-26, 563 N.E.2d 285 (1990), Petitioner Mayo had 30 days from the mailing of the Commission's October 22, 2015 Final Order to file her Petition. Petitioner did not file her Petition until November 25, 2015, well after the 30-day filing period.

As a result of Petitioner's failure to file her Petition within 30 days of the Commission's October 22, 2015 Final Order, this Court lacks subject matter jurisdiction to hear the Petition. Consequently, the Commission's Motion is granted, and the Petition is hereby dismissed.

IT IS SO ORDERED.
