JUDGMENT ENTRY

JANET S. MOSIER  
CLERK OF COURTS  
COSHOCTON COUNTY, OHIO

2016 FEB 11 PM 1:31

\*\*\*\*\*

This matter is before the Court as an Administrative Appeal pursuant to the Notice of Appeal filed May 14, 2015.

The Court affirms the decision of the Unemployment Compensation Review Commission and finds that the decision is lawful, reasonable, and not against the manifest weight of the evidence. In reviewing the transcript of the proceeding the Court finds substantial evidence that Appellant reported that he had not worked during weeks when he had worked, when making claims for unemployment compensation. Appellant's defense, that he had been given bad advice by a State employee, is not persuasive.

Therefore, the Court is required to and hereby does AFFIRM the decision of the Commission.

Costs to Appellant.

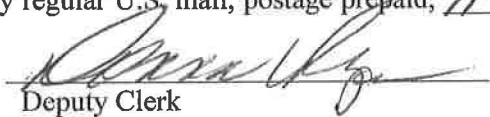

**IT IS SO ORDERED.**
