This matter comes before the Court upon motion of the Appellee, the Ohio Department of Job and Family Services (“ODJFS”) to dismiss this appeal for lack of subject-matter jurisdiction. Appellant, Daniel Long, filed this administrative appeal pursuant to R.C. 119.12 and R.C. 2506.04 for the purpose of appealing the June 8, 2017 ODJFS Decision on Reconsideration of Overpayment Calculation for Daniel Long.

The Court has reviewed the Long’s “Complaint” (construed as a notice of appeal). The Court has also reviewed the motion and brief of ODJFS and the law applicable to administrative appeals filed under R.C. 119.12 and R.C. 2506.04. Upon due consideration, the Court finds ODJFS’s unopposed motion to dismiss well-taken.

The administrative appeal is hereby dismissed for lack of subject matter jurisdiction.

This is a final appealable Order.

IT IS SO ORDERED.
