PREAMBLE

Electronic cigarettes, also known as “vapes,” cannot be legally sold in the United States without authorization by the Food and Drug Administration (FDA). Although thousands of products are available in the domestic marketplace, the FDA has only authorized 27 products. Unauthorized vapes are being distributed and sold illegally in Ohio. An e-cigarette is a battery-powered device that uses an “e-liquid” that usually contains nicotine derived from tobacco, as well as other flavorings and ingredients, and which is heated to create an aerosol that is inhaled. Some e-cigarettes may look like conventional combusted cigarettes, cigars or pipes. Other products may resemble pens or USB flash drives. Larger devices and products may have reusable parts and can be recharged or filled and refilled with e-liquids that are packaged and sold separately or they may

be disposable and only used once.¹ While often manufactured outside the United States, many of the products contain representations that their sale is “only allowed in the United States.” These products pose a public health threat to our communities, putting our citizens, including our youth, at risk for addiction, breathing problems, and other harms.

As the chief law enforcement officer for the state, the Ohio Attorney General exercises the state’s police and regulatory powers and has a duty to safeguard vulnerable populations and protect Ohio families, including safeguarding the health of its residents. One of the greatest threats to the health and welfare of our children is the epidemic of vape use. Vapes are the most used tobacco product among middle and high school students in the United States.² In 2023, 2.1 million (7.7%) students across the country used vapes. This group included 550,000 (4.6%) middle school students and 1.56 million (10.0%) high school students.³ In Ohio, the prevalence of vape use among students is 9.0% for middle school students and 20% for high school students.⁴

Vapes are a threat to the health of Ohio children. The nicotine in vapes harms adolescent brain development. It can affect attention, learning, mood, and impulse control.⁵ Some of the chemicals found in vape aerosols, particularly the reactive aldehydes formaldehyde and acrolein, are DNA-reactive, and formaldehyde has been shown to cause cancer in animals exposed via inhalation and is considered to be a “known human carcinogen” by the Environmental Protection Agency and the International Agency for Research on Cancer.⁶

JURISDICTION AND VENUE

1. Plaintiff, State of Ohio, by and through its counsel, the Attorney General of Ohio, Dave Yost, having reasonable cause to believe that violations of Ohio's consumer protection laws have occurred, brings this action in the public interest and on behalf of the State of Ohio under the authority vested in him by the Consumer Sales Practices Act, ("CSPA") R.C. 1345.01 *et seq.*
2. The actions of Defendant Orrville Tobacco and Vape Shop LLC hereinafter described have occurred in Wayne County in the State of Ohio and, as set forth below, are in violation of the CSPA, R.C. 1345.01 *et seq.*, and its Substantive Rules, O.A.C. 109:4-3-01 *et seq.*
3. Jurisdiction over the subject matter of this action lies with this Court pursuant to R.C. 1345.04 of the CSPA.
4. This Court has venue to hear this case pursuant to Ohio Civ. R. 3(C)(3) in that Wayne County is the county where Defendant conducted the activity that gave rise to this claim for relief.

DEFENDANT

5. Defendant Orrville Tobacco and Vape Shop LLC ("Orrville Tobacco") is an Ohio Limited Liability Company with its principal place of business located at 135 Hostetler Rd. Orrville, Ohio 44667.
6. Orrville High School, Orrville Junior High School, and Orrville Elementary School are all less than a mile from Defendant's place of business.
7. Defendant is a "supplier," as Defendant engages in the business of effecting "consumer transactions" by soliciting, offering, and selling disposable electronic nicotine delivery

systems, commonly known as vapes, to individuals in Wayne County for purposes that are primarily for personal, family, or household use, as those terms are defined by R.C. 1345.01(A), (C), and (D).

STATEMENT OF FACTS

8. Defendant is, and has been at all relevant times, engaged in the business of soliciting, offering, and selling, *inter alia*, unauthorized and illegal vapes to consumers.
9. Under federal law no new tobacco product – including e-cigarettes containing synthetic nicotine or nicotine derived from tobacco – is lawful for sale in the United States without first having received pre-market authorization by the FDA⁷.
10. The FDA has only authorized 27 e-cigarette products, which include only tobacco and menthol-flavored vapes⁸.
11. Any vapes not authorized by the FDA are illegal to sell in the United States, including in Ohio. This includes all non-menthol-flavored and non-tobacco-flavored vapes sold by Defendant Orrville Tobacco.
12. On April 5, 2024, Plaintiff sent a letter to Defendant Orrville Tobacco, advising it that if it was selling any vapes other than those products authorized by the FDA, such products were illegal, and may constitute an unfair and deceptive practice under the Ohio Consumer Sales Practices Act, which could be subject to enforcement action. (April 5, 2024 letter, Exhibit 1).

⁷ See Federal Food, Drug and Cosmetic Act (“FD&C Act”), 21 U.S.C. § 387j.

⁸ Prior to June 21, 2024, the FDA had only authorized 23 e-cigarettes to be sold in the United States. All 23 e-cigarettes were tobacco flavored. On June 21, 2024, the FDA authorized the sale of four additional menthol-flavored products, bringing the authorized products list to 27. See [FDA Authorizes Marketing of Four Menthol-Flavored E-Cigarette Products After Extensive Scientific Review | FDA](#)

13. Specifically, the letter noted that the AGO would aggressively pursue all available remedies against any person or business involved in the advertising, sale or distribution of these illegal products. (Id. at ¶5).
14. Defendant did not respond to Plaintiff's letter.
15. The letter was not returned to Plaintiff as undeliverable.
16. Despite Plaintiff's April 5th warning letter, Defendant Orrville Tobacco continued to offer for sale and sell illegal vapes.
17. On May 28, 2024, Consumer Protection Section Investigator John Hathaway, operating in an undercover capacity at the direction of the Ohio Attorney General's Office, went to Defendant Orrville Tobacco, located at 135 Hostetler Rd. Orrville, Ohio 44667, for the purpose of purchasing disposable vapes. (Affidavit of Investigator Hathaway, ¶3, Exhibit 2).
18. On May 28, 2024, Defendant offered for sale numerous flavored vapes, including products labeled as Elf/EBCREATE BC5000 and Breeze Smoke "Pro Edition."
19. While at Defendant Orrville Tobacco, Investigator Hathaway purchased two disposable vapes, for a total of \$42.58. (Id. at ¶¶ 4-7).
20. The two products were labeled as EBCREATE BC5000 and Breeze Smoke "Pro Edition." (Id. at ¶¶ 5-6).
21. On May 28, 2024, the EBCREATE BC5000 product was offered for sale in a strawberry kiwi flavor.
22. On May 28, 2024 the EBCREATE BC5000 product contained a sticker on the front of the box that said, "US EDITION" and contained the following notice on the back: "Sale Only Allowed in the United States."

23. Despite the representation that sale of the EBCREATE BC5000 is “Only Allowed in the United States,” EBCREATE BC5000 in strawberry kiwi or any flavor other than tobacco or menthol - is not allowed to be sold in the United States, including in Ohio.
24. On May 28, 2024, the Breeze Smoke “Pro Edition” product was offered for sale in an orange mango watermelon flavor.
25. On May 28, 2024 the Breeze Smoke “Pro Edition” product contained the following notice on the back: “Sale Only Allowed in the United States.”
26. Despite the representation that sale of the Breeze Smoke “Pro Edition” is “only allowed in the United States,” Breeze Smoke “Pro Edition”- in orange mango watermelon or any flavor other than tobacco or menthol - is not allowed to be sold in the United States, including in Ohio.

PLAINTIFF’S CAUSE OF ACTION:

VIOLATIONS OF THE CONSUMER SALES PRACTICES ACT

COUNT I

UNFAIR OR DECEPTIVE ACTS OR PRACTICES

27. Plaintiff incorporates by reference, as if fully rewritten herein, the allegations set forth in each of the previous paragraphs of this Complaint.
28. Defendant Orrville Tobacco has committed unfair or deceptive acts or practices in violation of the CSPA, R.C. 1345.02(A), by offering for sale and selling illegal vapes.
29. Defendant Orrville Tobacco has committed unfair or deceptive acts or practices in violation of the CSPA, R.C. 1345.02(A), by failing to clearly and conspicuously disclose that the products it offers for sale are not legal to be sold in the United States or in Ohio.

30. Defendant Orrville Tobacco has committed unfair or deceptive acts or practices in violation of the CSPA, R.C. 1345.02(A) and (B)(1), by representing the vapes it offers for sale and sells have sponsorship or approval that they do not have. Specifically, while the vapes Defendant Orrville Tobacco sells contain a notice that “Sale Only Allowed in the United States,” such products are not authorized to be sold in the United States.
31. Defendant Orrville Tobacco has committed unfair or deceptive acts or practices in violation of the CSPA, R.C. 1345.02(A) and (B)(4), by representing that the vapes it offers for sale and sells are available to consumers for reasons that do not exist. Specifically, while the vapes Defendant Orrville Tobacco sells contain a notice that “Sale only allowed in the United States,” such products are not authorized to be sold in the United States and should not be available to consumers.
32. Such acts or practices have been previously determined by Ohio courts to violate the CSPA, R.C. 1345.01 et seq. Defendant Orrville Tobacco has committed said violations after such decisions were available for public inspection pursuant to R.C. 1345.05(A)(3).

COUNT II

UNCONSCIONABLE ACTS OR PRACTICES

33. Plaintiff incorporates by reference, as if fully rewritten herein, the allegations set forth in each of the previous paragraphs of this Complaint.
34. Defendant Orrville Tobacco has committed unconscionable acts or practices in violation of the CSPA, R.C. 1345.03(A), by offering for sale and selling illegal vapes.
35. Defendant Orrville Tobacco has committed unconscionable acts or practices in violation of the CSPA, R.C. 1345.03(A) and (B)(1), by knowingly taking advantage of the inability of consumers to reasonably protect their interests as prospective consumers do not know

that the products Defendant offered for sale and sold were not authorized or legal to be sold in the United States, including in Ohio, especially given that the products touted “Sale Only Allowed in the United States.”

36. Such acts or practices have been previously determined by Ohio courts to violate the CSPA, R.C. 1345.01 et seq. Defendant Orrville Tobacco has committed said violations after such decisions were available for public inspection pursuant to R.C. 1345.05(A)(3).

COUNT III

EXCLUSIONS AND LIMITATIONS IN ADVERTISEMENTS

37. Plaintiff incorporates by reference, as if fully rewritten herein, the allegations set forth in each of the previous paragraphs of this Complaint.

38. Defendant Orrville Tobacco has committed unfair or deceptive acts or practices in violation of the CSPA, R.C. 1345.02(A), and the Exclusions and Limitations in Advertisements Rule, Ohio Admin. Code 109:4-3-02(A)(1), by failing to clearly and conspicuously disclose certain material exclusions related to vapes it offers for sale and sells. Specifically, while the vapes Defendant Orrville Tobacco sold contained a notice that “Sale Only Allowed in the United States,” Defendant failed to disclose that the products were not legal to be sold in the United States.

COUNT IV

SUBSTANTIATION OF CLAIMS IN ADVERTISING

39. Plaintiff incorporates by reference, as if fully rewritten herein, the allegations set forth in each of the previous paragraphs of this Complaint.

40. Defendant Orrville Tobacco has committed unfair or deceptive acts or practices in violation of the CSPA, R.C. 1345.02(A), and the Substantiation of Claims in Advertising Rule, Ohio Admin. Code 109:4-3-10(A), by making representations which would cause a reasonable

consumer to believe such statements were true, without having in its possession, or relying upon, a reasonable basis in fact such as factual, objective, quantifiable, clinical, or scientific data or other competent and reliable evidence which substantiates such legality representations. Specifically, Defendant Orrville Tobacco offered for sale and sold vapes which contained a representation that “Sale Only Allowed in the United States” without possessing or relying upon a reasonable basis in fact that such representations were true. To the contrary, Plaintiff’s April 5, 2024, letter to Defendant Orrville Tobacco informed Defendant that selling such flavored vapes was illegal.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully requests that this Court grant the following relief:

- A. ISSUE A DECLARATORY JUDGMENT that each act or practice described herein violates the CSPA, R.C. 1345.01 *et seq.*, and its Substantive Rules, OAC 109:4-3-01 *et seq.* in the manner set forth in the Complaint.
- B. ISSUE A PERMANENT INJUNCTION enjoining Defendant Orrville Tobacco, its owners, agents, employees, successors or assigns, and all persons acting in concert and participation with it, directly or indirectly, through any corporate device, partnership, or other association, under these or any other names, from engaging in the acts and practices of which Plaintiff complains and from further violating the CSPA, R.C. 1345.01 *et seq.*, and its Substantive Rules, OAC 109:4-3-01 *et seq.*
- C. ISSUE A PERMANENT INJUNCTION enjoining Defendant Orrville Tobacco from engaging in business as a supplier in any consumer transaction in the State of Ohio until such time as Defendant has satisfied all monetary obligations ordered by this Court, and any other Court in Ohio in connection with a consumer transaction.

- D. ISSUE A PERMANENT INJUNCTION enjoining Defendant Orrville Tobacco from offering for sale or selling illegal disposable electronic nicotine delivery systems, commonly known as vaping products.
- E. ASSESS, FINE and IMPOSE upon Defendant Orrville Tobacco a civil penalty of up to \$25,000.00 for each separate and appropriate violation of the CSPA described herein, pursuant to R.C. 1345.07(D).
- F. GRANT Plaintiff its costs incurred in bringing this action, including but not limited to, the cost of collecting on any judgment awarded.
- G. ORDER Defendant Orrville Tobacco to pay all court costs associated with this matter.
- H. GRANT such other relief as the court deems to be just, equitable, and appropriate.

Respectfully submitted,

DAVE YOST
Attorney General

DAVE YOST

OHIO ATTORNEY GENERAL

April 5, 2024

VIA REGULAR MAIL

ORRVILLE TOBACCO AND VAPE SHOP
135 HOSTETLER ROAD
ORRVILLE, OH 44667

RE: Unauthorized E-Cigarettes and Vaping Products

Dear Ohio Business Owner:

The Attorney General’s Office (“AGO”) is aware that there may be unauthorized and illegal electronic cigarettes (“e-cigarettes”) and other vaping products containing nicotine being distributed and sold in Ohio. Specifically, my office is aware that such products, in kid-friendly flavors, are inundating Ohio communities and putting Ohio’s youth at risk. Due to the unauthorized nature of these products, we cannot substantiate what ingredients they contain.

Under federal law no new tobacco product – including e-cigarettes containing synthetic nicotine or nicotine derived from tobacco – is lawful for sale in the United States without first having received pre-market authorization by the Food and Drug Administration (“FDA”). See Federal Food, Drug and Cosmetic Act (“FD&C Act”), 21 U.S.C. § 387j. To date, only 23 e-cigarettes have been authorized by the FDA to be sold in the United States. See Addendum A for a list of authorized devices. Further, FDA has not authorized any flavors other than tobacco flavored.

Any e-cigarettes or vaping products not on this list have not been authorized by the FDA, potentially making such products adulterated and misbranded and illegal under Sections 902 and 903 of the FD&C Act. See 21 U.S.C. § 387b(6)(A) and § 387c(a)(6). Businesses that sell or distribute such unauthorized products are subject to enforcement action and penalties by the FDA, including monetary penalties and no-tobacco-sale orders. Additionally, holding out these products for sale without FDA authorization may constitute an unfair and deceptive practice under the Ohio Consumer Sales Practices Act, R.C. 1345.02(A)(2).

We know that despite FDA regulations, many Ohio businesses may be selling these illegal e-cigarettes and devices. The purpose of this letter is to put you on notice and ask that you help ensure such unauthorized and illegal products are not sold in our state.

In addition to any enforcement actions and penalties the FDA may pursue, the AGO will aggressively pursue all available remedies against any person or business involved in the sale or distribution of these illegal products.

These illegal products pose a public health threat to our communities, putting our citizens, including our youth, at risk for addiction, breathing problems, and other harms. These unauthorized products may contain additional dangerous ingredients not listed on the packaging.

Addendum A

E-Cigarettes Authorized by the FDA

As of Jan. 2024, these are the only e-cigarettes authorized to be sold in the U.S.

While these products are authorized to be sold in the U.S., it does not mean these products are safe nor are they "FDA approved." All tobacco products are harmful and potentially addictive. Those who do not use tobacco products shouldn't start.

STATE OF OHIO)
) SS: AFFIDAVIT OF
COUNTY OF SUMMIT) INVESTIGATOR JOHN HATHAWAY

AFFIDAVIT

I, John Hathaway, being first duly sworn according to law, depose and say that I am of full legal age, have personal knowledge of all the facts herein, and am competent to testify to the matter set forth. Further, I state that:

1. I am an investigator with the Ohio Attorney General’s Consumer Protection Section. In this position I am involved in a variety of investigations, some of which involve operating in an undercover capacity to gather information.
2. The Ohio Attorney General’s Office received information that Orrville Tobacco and Vape Shop LLC, located at 135 Hostetler Rd., Orrville, OH 44667, was selling illegal disposable electronic nicotine delivery systems, commonly known as vaping products.
3. On May 28, 2024, operating in an undercover capacity and under the direction of the Ohio Attorney General’s Office, I went to the Orrville Tobacco and Vape Shop for the purpose of purchasing nicotine vaping products.
4. After viewing many flavored products and devices I purchased two (2) vaping products.
5. The first purchased vaping product was an EBCREATE BC5000 in a strawberry kiwi flavor. The photographs labeled as Exhibit A are true and accurate photographs of the EBCREATE BC5000 product I purchased from the Orrville Tobacco and Vape Shop on May 28, 2024.
6. The second purchased vaping product was a Breeze Smoke “Pro Edition” in the orange mango watermelon flavor. The photographs labeled as Exhibit B are true and accurate photographs of the Breeze Smoke “Pro Edition” product I purchased from the Orrville Tobacco and Vape Shop on May 28, 2024.
7. The total cost of the two purchases was \$42.58. I provided the cashier \$50 in cash and she provided \$7.42 in change. Attached and labeled as Exhibit C is a copy of the receipt I was provided.

8. On June 4, 2024, I turned over the items I purchased to Investigator Supervisor Sheila Lavery for storage in an Ohio Attorney General's office evidence room.

FURTHER AFFIANT SAYETH NAUGHT.

INVESTIGATOR JOHN HATHAWAY

Sworn to and subscribed in my presence this 8th day of July 2024 in Richfield Village, County of Summit, State of Ohio.
