Missing Person

November 9, 2017

The Parma Police Department and the Ohio Bureau of Criminal Investigation are asking for your assistance in locating Elaine Johnson. She has been missing since November 22, 1990. An Ohio BCI forensic artist has created an age progression image of what Elaine might look like now.

Elaine was last known to be at her residence in the vicinity of the 5900 block of Stumph Road in Parma, OH. Her keys were missing. However, her vehicle was found in the parking lot of her apartment complex and all of her money, credit cards and identification were found inside her apartment. A check of the laundry room revealed Elaine's clothing items were there and her storage locker was open.
