PUBLIC BULLETIN

DAVE YOST
OHIO ATTORNEY GENERAL

UPDATE: 2020 Stark County John Doe

September 7, 2023

Volume 17, Number 7

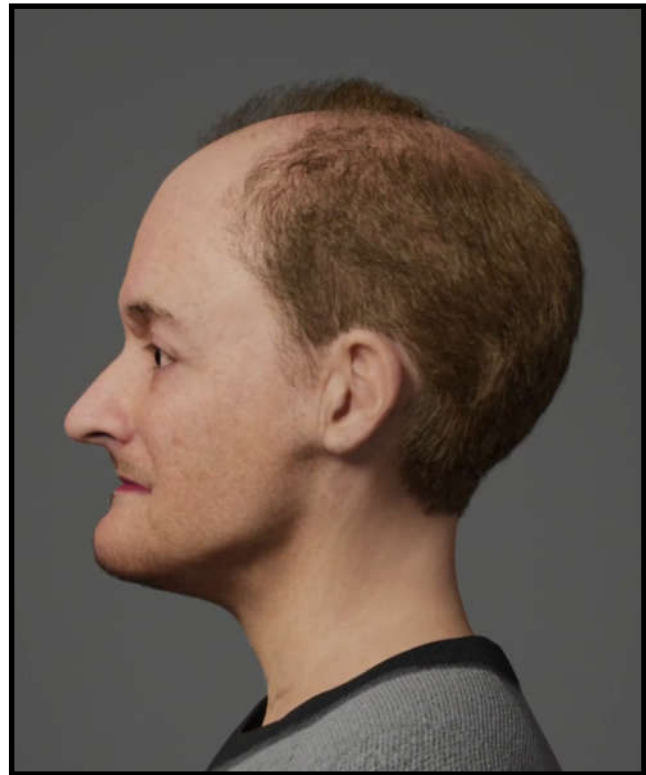

The Ohio Attorney General's Bureau of Criminal Investigation and Stark County Coroner's Office are seeking assistance to help identify a male whose remains were located on March 31, 2020. The male was located adjacent to an oil well site approximately 20 yards off Sandy Avenue SE in Canton, OH. The remains were completely skeletonized, and he is estimated to have been deceased for at least two years.

BCI's forensic artist previously completed a clay facial reconstruction in August of 2021. With the identity of this deceased male still unknown, BCI worked with the Office of Academic Affairs Digital Learning (OAA DL) and the Advanced Computing Center for the Arts and Design (ACCAD) at the Ohio State University to generate additional digital images of what the individual may have looked like. Limited options were available in the program used.

Anyone with information is asked to call the Stark County Sherriff's Office at 330-430-3823 or 330-451-3937.
