# Mahoning County John Doe

August 25, 2022

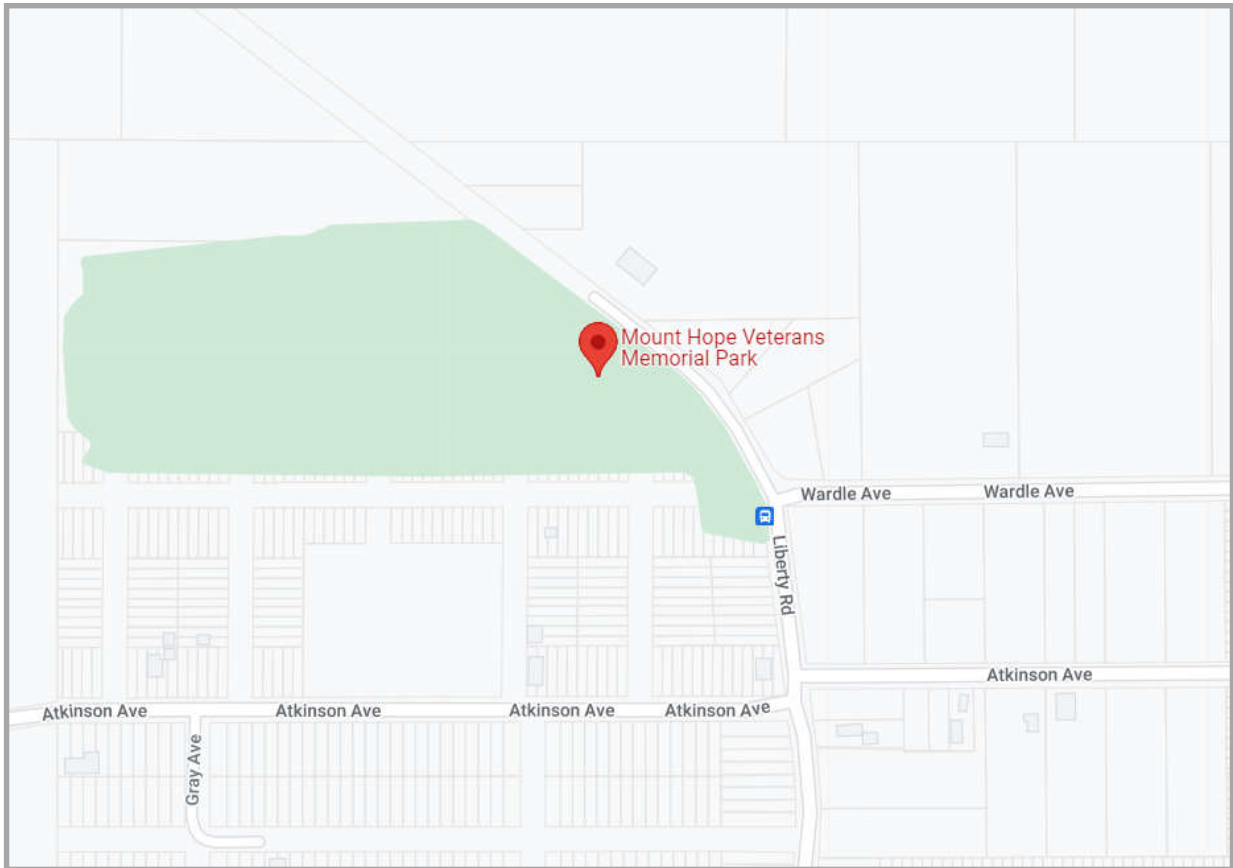

Volume 18, Number 5

The Ohio Attorney General’s Bureau of Criminal Investigation and Mahoning County Coroner’s Office are seeking assistance to help identify human remains that were found on Sept. 10, 1987. Partial skeletal remains were located off Liberty Road near Mount Hope Cemetery in Youngstown, Ohio. It is estimated that the remains were at this location for 3-5 years prior to their discovery. The decedent is believed to be a Black male between the age of 30 and 44 years old. Additional details such as height, weight, hair color and eye color are unknown.

The image shown is a facial reconstruction completed by Ohio BCI’s forensic artist. Items such as hair style are the artist’s estimations to complete the image and should not be considered as significant markers for identification.

Anyone with information is asked to call the Mahoning County Coroner’s Office at 330-740-2175.

## About BCI CIU

The Criminal Intelligence Unit consists of Criminal Intelligence Analysts and a Criminal Intelligence Analyst Supervisor. Analysts are located in BCI London headquarters, as well as regional offices in Youngstown, Bowling Green and Richfield. The members receive and fulfill requests from BCI Agents, local, state, federal law enforcement agencies and task forces. Our mission is to predict and expose criminal activity in order to prevent, eliminate or neutralize the activity.

This publication may be disseminated to the general public.
