

Help us **STOP** elder abuse

We urge Ohioans to:

- Learn the types of elder abuse and signs to look for.
- Check in on older loved ones on a regular basis.
- Encourage the elderly to stay active.
- If you suspect abuse, ask the senior directly.
- Don't be afraid to report abuse.

To report a suspected case of elder abuse:

**Call 855-OHIO-APS
or visit our website**
