

OHIO DNA DATABASE DNA COLLECTION FORM

This sample has been collected pursuant to Ohio Revised Code 2901.07 and 2152.74 and will be forwarded to BCI for entry into the DNA database.

Instructions:

1. Check/Verify Subject's Criminal History in OHLEG/LEADS for DNA collection information.
2. If DNA information says "Not Collected for the Ohio DNA Offender Databank (CODIS)" complete this form, collect the DNA sample and mail to BCI. There is **NO NEED** to collect if the DNA information says "A DNA profile is in the Ohio DNA Offender Databank (CODIS)". (See Ohio Administrative Code 109:5-5-01 and 109:5-5-02)
3. Please press inked right four fingers simultaneously.
4. Print the Subject's name and ITN, SSN or BCI number on the collector.

THE DNA COLLECTION KIT WILL NOT BE ACCEPTED IF:

- The Subject's name is missing from the collector
- The inked print is poor quality or missing
- This form is not submitted with the collector
