2024 CPT CURRICULUM INFORMATION

For calendar year 2024, peace officers and troopers who hold an appointment in 2024, except for those who successfully completed their basic training or highway patrol cadet training program and exam in 2024, are required to complete a *total of 24 hours of CPT*. Of the 24 total mandatory hours, *8 of the hours must be completed in the five topics below* mandated by OPOTC. Pursuant to ORC 109.803(A)(1), 24 hours is intended to be the minimum requirement and agencies are encouraged to exceed the 24 hours when possible. A minimum of 24 hours is reimbursable each calendar year, however, a *maximum* of 40 hours may be reimbursable if the legal requirements to do so are met.

Please note that each peace officer and trooper must complete *at least the minimum hours specified in all five topics* of the OPOTC mandated categories set by the Commission.

- Legal Update (2 hours)
- Responding to Mental Health Issues (2 hours)
- Crisis Mitigation De-Escalation (2 hours)
- Marsy's Law / Victim Rights (1 hour)
- NIBIN (1 hour)

The remaining 16 hours of CPT are also mandatory. However, these 16 hours can be on any topic that meets the requirements of OAC 109:2-18-03 and is approved by your agency administrator.

Every peace officer and trooper *must complete the required minimum hours in all five categories*. However, any excess hours completed on the five CPT topics required by OPOTC can count towards the 24 total hours required for 2024. The excess hours would count toward the 16 hours that can be on any topic approved by your agency administrator.

By January 1, 2024, written curricula for these topics will be posted and can be used by qualified instructors under OAC 109:2-18-03(A)(4) to satisfy all eight hours. *Agencies need not seek pre-approval if they utilize these curricula.*

Agencies are also free to develop and/or use non-OPOTA curricula on these topics. If curricula, other than that provided by OPOTA is to be used for CPT, *pre-approval of the content is required under OAC 109:2-18-03.*

16 hours: Training topics at the direction of the Agency Administrator

For the remaining 16 required hours, Agency Administrators can use any pre-approved training that meets the requirements OAC 109:2-18-03. A list of pre-approved courses can be found on the Attorney General's CPT website.

A majority of OPOTA in-person classes provided in London, at a Close-To-Home regional provider or other authorized OPOTA training location can be CPT approved. A full list of OPOTA in-person courses with CPT credit can be found on the Attorney General's CPT web site. Additionally, eLearning provided through OPOTA Online can fulfill these 16 hours of CPT training.
