TO: Executive Director, Ohio Peace Officer Training Commission

RE: School Number: _____

Dear Executive Director:

This letter is to inform you that _____ has intent to
(Enter Name of Agency Here)
appoint Cadet _____ as a peace officer pursuant to the Ohio
(Enter Name of Cadet Here)
Revised Code, contingent upon successful completion of Peace Officer Basic Training.

I understand that an SF400 – Notice of Peace Officer Appointment is to be submitted, via the OPOTA portal within 10 days of the officer's appointment after state exam results have been confirmed.

Failure to submit this document will result in the officer not being listed on the agency roster until it is received and approved by a Certification Specialist. Prompt submission is crucial for maintaining accurate work history records and for CPT reporting.
