SUBJECT MATTER EXPERT APPLICATION FOR BASIC CURRICULUM REVISIONS

(*Please note: This is not an OPOTC instructor application.)

Identifying Subject Matter Experts (SMEs)

- **Qualifications:** SME groups will be comprised of industry professionals (e.g., law enforcement personnel, attorneys, educators, industry leaders).
- **Documents:** A completed application, which includes a confidentiality agreement, is required (see attached), and a current resume is preferred as well.
- **Selection:** Individuals chosen for SME committees are vetted and selected by Education and Policy (EPS) staff. Considerations include demonstrated experience and expertise, professional recommendation(s), and public/professional image. SMEs that are not employees of the OPOTC/A will participate as non-paid, volunteer professionals, and will be credited for their contributions within the lesson plan(s).

Expectations of SMEs

- **Participation:** Participation includes attendance (in person or via teleconference) at SME meetings, providing requested information, and/or electronically reviewing/revising work product.
- **Purpose:** SMEs guide which content is to be included in the lesson plans, which the Law Enforcement Training Officers (LETOs) then develop and assemble; final content is approved by the SMEs.

Although the expertise, and therefore the purposes, of the SMEs and EPS staff differ, their purposes complement each other and lend to the final product, which are the recommendations made to the OPOTC. Recommendations will be made for Student Performance Objectives (SPOs); unit/topic additions, deletions and merges; name changes; hours; ratios; skill and mandatory attendance topics; instructor qualifications; and instructor updates.

If you have any specific questions, please do not hesitate to contact the Education & Policy section at OPOTCEducationandPolicy@ohioattorneygeneral.gov or call 740-845-2700.

Sincerely,
