- Griswold Act—
- Board of education may issue bonds without vote of electors for rebuilding or repairing school house or constructing new school house where old school house was destroyed by fire or other casualty or use of same prohibited by order of Industrial Commission—See section 7630-1 G. C. (109 O. L. 336)—Board may levy tax sufficient to provide for bond issue—See section 5649-4 G. C.----- 133

TAX COMMISSION—Continued.

Page

Interpretation of section 5649-1b G. C. of said act—Certificate of fiscal officer of subdivision should include statement that bonds authorized have been sold and in process of delivery—Ordinance authorizing bond issue should specify maturities, rate of interest and time of payment of interest of bonds-----	351
Maturities of serial bonds must be annual maturities due on a day following each final tax settlement—Interest payments may be made semi-annually-----	131
Opinions Nos. 2923, 3031 and 3302 modified in view of decision of supreme court, state ex rel. Johnson vs. Chandler, 105 O. S. — Bonds to which act, not applicable—How long sinking fund trustees continue to function—Where functions are exercised for bonds issued after January 1, 1922-----	671
Sections 2295-9 and 2295-10 G. C. limiting maturities of bonds must be complied with as to all bonds issued after January 1, 1922, though legislation authorizing their issue may have been fully adopted prior to that date -----	427
Inheritance Tax Law—	
Bequest to trustees for sole use of charitable institution so long as property, in judgment of trustees, be used for such purposes and thereafter to children of testator—How tax treated—Hills and Dale Club, Dayton, Ohio-----	663
Joint account created in 1902 in New York with certain trust company in certain securities including stocks of Ohio corporations for C. A. S. and E. B. S. and survivor of them as joint tenants—C. A. S. died in 1921—Taxation-----	1005
Litigation involving assets of estate instituted subsequent to expiration of year after death of decedent—What rate of interest chargeable after expiration of year on inheritance taxes subsequently determined-----	326
Method of taxation of successions in certain will discussed-----	111
Probate court—Where more than year after an order determining said tax entered by probate court, the said court on motion and without notice to tax commission modified such order by reducing tax and directing refunder—Certain property appeared twice in application—Procedure followed illegal—How to proceed-----	610
Successions to grandnieces and grandnephews are taxes of seven per cent without any exemption-----	94
The words "husband of a daughter" as used in sub-paragraph 3 of section 5334 G. C. do not include widower of a daughter-----	398
Where A devised all of his estate to his widow for life, remainder to his children, widow to have power of sale and in event of its exercise she would take only her dower in real estate and distributive share of personalty and remainders of children to vest immediately—Tax determined upon life estate in widow with remainders to children-----	830
Where husband and wife, aged respectively seventy-five and seventy-nine years convey absolutely real estate to church on consideration that church pay grantors \$20.00 per month during their joint lives and life of survivor—When said conveyance not taxable-----	674

TAX COMMISSION—Continued.

Page

Where testator by will created power of appointment with respect to Ohio property, providing that if power not exercised by donee property shall pass to non-exempt corporation—How taxed-----	536
Where testator devises his residuary estate to executors as trustees directing them to pay all taxes, etc., and all expenses of management including reasonable compensation and to pay over from time to time to each of three named persons amount sufficient for necessities of life—Also other stipulations for trustees—Held, taxes not deductible—Trustees' commissions and cost of filing accounts deductible—Amount of right receivable by any of beneficiary trust uncertain, inheritance tax undeterminable at present time -----	676
Where testator directs his executor to have masses read for repose of testator's soul—When such expense is permissible deduction from personal estate for inheritance tax purposes-----	8
Where X for valuable consideration conveyed real estate to A and B, husband and wife, and to survivor and to heirs and assigns of such survivor—B died—Succession not taxable-----	1001
Municipal corporations—Have authority to refund indebtedness under section 3916 G. C. (109 O. L. 339)—Limitation, indebtedness must be incurred prior to January 1, 1924—How ordinance for issuance of refunding bond published-----	588
Taxes and Taxation—	
Accrued interest in United States government bonds is not taxable as a credit -----	946
Board of park commissioners—Authority of said appointive board to levy taxes for special taxing district other than county or township, legal—See section 2976-10 G. C.—Approval of electors of park district not required-----	192
Corporations—No authority for remission or compromise of claim for personal taxes not erroneously or negligently charged—Where such taxes not fully collectible because of insolvency of tax payer and existence of prior liens—How county treasurer may proceed to collect less than sum charged-----	230
Delinquent personal taxes—Authority of county treasurer with respect to levying upon personal property for payment of said taxes—Procedure—When prosecuting attorney must represent county treasurer -----	354
Delinquent real estate tax—Foreclosure action provided for in section 5718 G. C. brought by county treasurer—Prosecuting attorney represents treasurer—Action provided in section 5722 G. C. special—The three months period mentioned in section 5718 G. C. refers to time—Auditor of state must act—No limitation applicable to action by treasurer under section 5718 G. C. -----	389
Effect of decision in case of Wilson vs. Licking Aerie of Eagles 104 O. S. 137)—Section 5364 G. C. unconstitutional and section 5353 G. C. constitutional—What property exempt from taxation that belongs to institution of public charity-----	176
False return or fraudulent evasion of duty to make return—County auditor not restricted to five years immediately preceding in placing omitted taxes on duplicate—Section 5398 G. C. construed----	729

TAX COMMISSION—Concluded.	Page
“Investment in bonds” should be returned at true value in money, the full market value of the securities—Two examples-----	930
Lands attached to houses used exclusively for public worship are necessary for proper occupancy, use and enjoyment of such houses and such lands are exempt from taxation—See section 5349 G. C.	993
Proceedings to foreclose lien for taxes against lands certified as delinquent—Proceedings separate as to each parcel of land when brought under section 5718 G. C.—When proceedings under sections 2670 and 2671 G. C. different parcels may be joined in one action—Decrees separate-----	372
When orphanage is exempt from taxation—Institution not for profit and open to all similarly situated on equal terms without respect to religious affiliations—Property of Sisters of Precious Blood at Minster, Ohio -----	184
Where an incorporated charitable institution purchases real estate, the title of which is taken in name of individual trustee for purpose of facilitating mortgage loan—Same exempt from taxation under section 5353 G. C.-----	409
Where a resident of Chicago, Illinois, died leaving large amount of intangible personal property to certain legatees in Highland county, Ohio—When distribution made, assets delivered to agent of such legatee residing in Chicago—Legatee resident in Ohio died and executors in Ohio secured assets in hands of agent and listed same for taxation—Question whether assets should have been listed for taxation in Ohio—Also whether fifty per cent penalty may be added under section 5398 G. C.-----	44
Where building costing more than \$200.00 is erected outside of subdivision having system of building registration—Not on tax duplicate—How and when placed on duplicate by county auditor—Cannot go back five years-----	942
Where church society leases tract of land owned by it for oil—Agreed rent and royalty—Proceeds of such oil lease applied to support of church—How taxed-----	853
Where county auditor discovers real estate omitted from tax duplicate of previous years—Mandatory duty to add to taxes of current year for preceding years not exceeding five—An exception—Authority of county auditor when improvement on real estate omitted from duplicate—May correct value—Without power to assess back taxes on such behalf. See supplemental opinion No. 3738, November 20, 1922-----	308

TAX DUPLICATE—

Taxes and Taxation—

False return or fraudulent evasion of duty to make return—County auditor not restricted to five years immediately preceding in placing omitted taxes on duplicate—Section 5398 G. C. construed	729
Where building costing more than \$200.00 is erected outside of subdivision having system of building registration—Not on tax duplicate—How and when placed on duplicate by county auditor—Cannot go back five years-----	942

TAX SETTLEMENT—

Griswold act—Taxes and taxation—Serial bond issue—When first bond can fall due under provisions of said act—Section 2295-12 G. C. (109 O. L. 344) construed.....	89
--	----

TAXES AND TAXATION—
