AT THE OHIO ATTORNEY GENERAL'S OFFICE

**Looking to make a difference?
Consider one of our exciting career fields, and join us in protecting and serving Ohioans.**

Law Enforcement

BCI investigators and special agents have vast experience in complex criminal investigations. Ohio Peace Officer Training Academy staff creates and oversees basic training curriculum and instructs advanced training for Ohio's law enforcement officers.

Legal

Our attorneys are respected, experienced practitioners skilled in general litigation as well as specific legal areas. Assistant attorneys general advocate for and defend the state's interests in crucial civil and criminal matters.

Internal Operations

Our operations staff is top-notch. From finance to information technology, human resources to general services, there are a variety of positions in the Attorney General's Office for talented professionals.

Forensics

Creative thinking and problem-solving are the hallmarks of our scientists and analysts. Using advanced technology in a supportive team atmosphere, they employ sound judgment and innovative approaches to solve multifaceted cases.

Administration

The many successes of the Ohio Attorney General's Office would not be possible without the commitment of our administrative, clerical and support staff. Dedicated paralegals, experienced collectors and other key professionals guide and sustain our teams.

We are always working to recruit and retain a talented, diverse workforce.
