**Subject:** Reciprocal recognition of handgun carry licenses

Dear Mr. Fulkerson,

Thank you for your letter to Attorney General Brian Frosh concerning reciprocal recognition of concealed handgun carry licenses between Maryland and Ohio.

Maryland law does not recognize concealed carry licenses issued by any other state, and does not authorize Maryland to enter into reciprocal agreements for the recognition of such out-of-state licenses.

If I may be of any further assistance to you on this issue, or any other, please feel free to contact me.

Mark H. Bowen  
Assistant Attorney General  
Department of State Police
