Ohio Attorney General's Office
Crime Victim Section

FISCAL 2011
Annual Report

MIKE DEWINE
OHIO ATTORNEY GENERAL

Dear Colleagues,

During my years of public service, I have strongly advocated for the rights of victims of violent crime and supported efforts to help with the long-term emotional and financial effects they experience. One way that the Attorney General's Office can help Ohio families that have experienced violent crimes is through the Ohio Victims of Crime Compensation Fund.

Since its inception in 1976, the fund has paid more than \$317 million in compensation to victims of violent crime in Ohio. In Fiscal Year 2011, the fund received 6,574 requests for compensation and paid an average of \$2,899 per claim. The Ohio Victims of Crime Compensation Program helps victims and their families recover economic expenses that include, but are not limited to, medical expenses, lost wages, funeral expenses, and future economic support for dependents of a homicide victim.

However, the Crime Victim Section's assistance is measured in much more than just dollars and cents. This fiscal year, the staff provided education and training to almost 80,000 people in areas as diverse as victim compensation, VINE (Victim Information and Notification Everyday), elder abuse, domestic violence, cyber crimes, bullying, sexual assault, and child abuse. The Grant Unit provides funding to worthy programs across the state, ensuring that victims have someplace to turn when they desperately need assistance. When victims or their family members contact our office for help that is outside the purview of our programs, they are treated with the highest level of compassion and directed to a person or entity on the local level for assistance.

In my first year as Attorney General, I was able to work with the General Assembly to remove barriers and allow more victims to be eligible for the program. At the same time, I began looking at ways to safeguard the compensation fund's future solvency. The Ohio Victims of Crime Compensation Fund has helped many vulnerable Ohioans recover after they have been harmed as a result of a violent crime. I am fully committed to helping victims of crime today and being a good steward of the fund for the Ohioans who will need it tomorrow.

Very respectfully yours,

Mike DeWine
Ohio Attorney General

Introduction

The Ohio Victims of Crime Compensation Fund (the fund) was created in 1976 to help ease the financial impact inflicted on innocent victims of violent crime. Until July 1, 2000, primary responsibility for the fund's oversight rested with the Court of Claims of Ohio. The Attorney General's Office made recommendations to the court concerning applications for reparations, and the court rendered the decisions. Responsibility for the fund was transferred to the Attorney General's Office on July 1, 2000, and other benefits have been added through legislation over the years. This transfer has resulted in a less bureaucratic system, a more streamlined compensation process, and, most importantly, faster financial assistance for victims. The benefits of these changes can be seen in the statistics provided within this report.

In addition to the compensation program, the Crime Victim Section of the Ohio Attorney General's Office administers state and local grants, conducts training, and provides education. While Ohio Revised Code (ORC) 2743.69 requires only an annual report regarding the compensation program, we are proud of the other exciting things that our section accomplished in fiscal 2011, and as such have included a brief summary of those items as well. (Please note that the Missing Persons Unit and the Identity Theft Passport Unit, which also operated within this section in fiscal 2011, have their own statutorily required annual reports, so their information is not included here.) This report covers the period from July 1, 2010, to June 30, 2011.

Grants Unit

The Grants Unit of the Crime Victim Section administers state and federal grants to victim service providers. These State Victims Assistance Act (SVAA) and federal Victims of Crime Act (VOCA) grants are made up of funds from court costs and fees, not tax dollars. Recipients generally include battered women's shelters, rape crisis centers, prosecutor-based victim/witness programs, special advocates for child victims, and other similar governmental and nonprofit agencies that provide direct services to crime victims. In all, 269 victim service providers throughout Ohio received 217 SVAA and 233 VOCA grants totaling more than \$17.8 million for the 2011-12 grant year. These programs serve hundreds of thousands of Ohio crime victims each year, providing support and guidance at a time when they are most vulnerable. New grant recipients this year included Providence House, which provides short-term housing for children whose families are in crisis; Mental Health Services of Cleveland, which provides 24/7 advocacy response and support to children and other survivors who recently have lost a loved one to homicide; and Second Chance Ministries of Toledo, which provides comprehensive services to human trafficking victims.

Education and Training Unit

The Education and Training Team has created a comprehensive model that provides education and training, writes grants, develops policy, and provides direct services to victims. To ensure fair and equitable access to quality services for victims throughout the state, the team provides education at the individual, community, and system levels. To do so, staff members use a variety of media (i.e., literature, websites, news releases, etc.) and offer a host of trainings that range from one hour to one week long depending on the nature of the topic and the audience.

Trainings generally are supported by national curricula, evidence-based findings, and practical experience. During this fiscal year, more than 35,000 professionals and citizens received some form of training from the team.

Here is a look at trainings provided on various topics in fiscal 2011:

Domestic Violence/Sexual Assault

The unit provides training and policy development on intimate partner violence and sexual assault as it relates to health care, the criminal justice system, and general advocacy. The work accomplished brought the issue of sexual violence to the forefront for Ohio's first responders.

Sexual Assault Forensic Exam program

The Sexual Assault Forensic Exam (SAFE) program is essential to our efforts to improve outcomes for victims of rape. The SAFE program is statutorily mandated (ORC 2907.28) to cover the medical expenses of patients examined after a sexual assault for the collection of physical evidence for a possible prosecution.

For the past three years, the SAFE program has worked with the Ohio Department of Health and allied medical professionals to revise the statewide protocol on forensic evidence collection. This new protocol includes an Attorney General-developed drug-facilitated sexual assault protocol and screening panel, new criteria for medical providers examining pediatric patients, and a revised SAFE reimbursement form that allows for more specific data collection. The data gathered will help inform the Attorney General how sexual assaults are being handled throughout the state.

- The SAFE program reimbursed medical facilities for 6,284 exams at a cost of \$3.34 million in fiscal 2011.

Sexual Assault Response Training Team

In many instances, a victim's first contact with law enforcement has a significant impact on the sexual assault investigation. Knowing this, the Attorney General formed a statewide Sexual Assault Response Training Team (SARTT). SARTT continually offers law enforcement new tools to assist with sexual assault investigations. In fiscal 2011, the unit offered six trainings for law enforcement on the criminal investigation of sexual assault. Feedback from these trainings resulted in the development of a one-day training at the Ohio Peace Officer Training Academy (OPOTA) for first-responding officers. Information also was made available through the Ohio Law Enforcement Gateway (OHLEG) to share resources such as search warrants, protocols, and reporting forms specific to sexual assault to simplify access for agencies with limited funding.

To increase the number of multidisciplinary teams responding to victims of sexual assault, a grant was obtained from the federal Office of Violence Against Women. This grant allowed SARTT to offer training and technical assistance to three counties working to develop a local response team. By the end of the two-year project in 2012, the counties will have developed local protocols on how to respond and collaborate on cases of sexual assault. The goal is to help communities use these three county models as templates to develop their own Sexual Assault Response Team (SART).

- In fiscal 2011, 242 law enforcement officers were trained to investigate sexual assault, and 273 individuals were trained on the SART model.

Domestic Violence Collaborative Efforts

The unit participated in collaborative efforts throughout the state that focus on domestic violence, including the Women Who Use Force Committee, the Family Violence Prevention Counsel, Project Connect, and the Barbara Warner Domestic Violence Task Force. Staff was instrumental in the implementation of the Attorney General's Workplace Violence Policy and the Excellence in Advocacy manual published by the Office of Criminal Justice Services.

- The Attorney General's Office, in collaboration with the Ohio Board of Cosmetology, trained 559 salon professionals on domestic violence recognition and response issues through the Cut it Out initiative in fiscal 2011.
- In addition, 1,065 criminal justice professionals and victim advocates were trained on the dynamics of sexual assault and effective responses during the year.

Elderly

The unit provides training and policy development on elder abuse and other crimes committed against the elderly. Training efforts this year were heavily focused on law enforcement officers, prosecutors, and judges. The unit also leads the work of the Attorney General's Elder Abuse Commission, a discretionary body representative of various state agencies and associations charged with raising awareness, increasing research, and improving policies related to elder abuse.

- In fiscal 2011, 1,149 criminal justice professionals and victim advocates were trained on elder abuse issues.
- The office collaborated with the Ohio Prosecuting Attorneys Association to send Ohio prosecutors to specialized training hosted by the National District Attorneys Association.
- The office co-hosted an Ohio Summit on Aging in collaboration with the Supreme Court of Ohio, Office of the Governor, and the Ohio Association of Probate Judges.
- The office collaborated with the Supreme Court of Ohio and the Ohio Association of Probate Judges to host the National Judicial Institute on Domestic Violence: Enhancing Judicial Skills in Elder Abuse.
- The office hosted the Ohio Elder Abuse Research Symposium — the first of its kind in Ohio — during the Two Days in May Conference on Victim Assistance.

Special Events

The Education and Training Unit coordinates special events and outreach activities by streamlining scheduling, registration, and logistical support and filing for continuing education credits. This year, the unit implemented an online process for training registration and confirmation, reducing mailing and printing costs. The unit is responsible for organizing the Two Days in May Conference on Victim Assistance, the nation's largest training event on crime victim advocacy.

- The office trained 1,065 victim advocates and criminal justice professionals at the 2011 Two Days in May conference.
- Through its BASICS (Basic Advocacy Skills in Crime Victim Services) Academy, the office trained 55 victim advocates and criminal justice professionals in fiscal 2011.

Victim Information and Notification Everyday

The unit helps crime victims and other concerned citizens gain access to information about criminal cases and custody status of offenders through the Victim Information and Notification Everyday (VINE) program. VINE provides information on the status of offenders in the Ohio Department of Rehabilitation and Correction, Ohio Department of Youth Services, and county jails by telephone or online 24 hours a day. Individuals can register to be notified by phone, e-mail, text message (SMS), or text telephone (TTY) device when an offender's custody status changes. Users also can register through their participating state or county toll-free number.

VINE statistics are for the one-year period beginning May 1, 2010, and ending April 30, 2011.

- More than 44,000 online searches were conducted each month at www.vinelink.com, the primary registration point for Ohio.
- About 2,500 new registrations are logged each month.
- VINELink usage has increased 17 percent over the previous 12-month period, rising from 458,000 to 535,000.
- New registrations have increased 21 percent over comparable 12 months, from 25,000 to more than 30,000.
- Phone notifications have increased more than 25 percent, from 110,000 to more than 138,000.
- E-mail notifications have increased more than 42 percent, from 21,000 to more than 30,000.

Youth

The Education and Training Unit also focuses on cyber bullying and Internet safety. This year, the unit provided education and outreach for students (primarily in fifth through 12th grades), educators, other school staff members, criminal justice professionals, and allied stakeholders. Trainings also focused on child sexual abuse.

- The unit trained 31,792 students, educators, and parents on cyber bullying and Internet safety in fiscal 2011.
- In addition, 55 law enforcement officers, prosecutors, forensic interviewers, and child protective service workers were trained to interview and prepare children for court through Finding Words, an intensive five-day course that teaches prosecutors, investigators, forensic interviewers, and child protective service workers the necessary skills to conduct competent investigative interviews of child abuse victims.

Crime Victim Compensation Program

Chapter 2743 of the Ohio Revised Code governs the compensation program, which allows applicants to be reimbursed up to \$50,000 for economic losses they incur as a result of a violent crime. Economic losses that can be recovered are:

- Medical and related expenses
- Funeral and burial expenses (up to \$7,500)
- Dependents' economic losses resulting from the death of a victim
- Counseling expenses for family members of victims of domestic violence, sexual assault, homicide, or a crime that has resulted in a severe and permanent incapacitating injury such as paraplegia (up to \$2,500 per family member)
- Crime scene cleanup expenses (up to \$750)
- Compensation for property held as evidence (up to \$750)

Victims cannot receive compensation for pain and suffering or stolen property. Also, the program is a payer of last resort and will not compensate for economic losses that can be recovered from another source.

In order to participate in the program:

- The victim must not have engaged in any conduct that substantially contributed to the injuries sustained.
- The victim must not have engaged in violent felonious conduct or in drug trafficking behavior within 10 years of the incident for which the claim has been filed with this office.
- The victim must not have any felony convictions, domestic violence convictions, or child endangering convictions within 10 years of the incident for which the claim has been filed with this office.

Administrative Costs

Administrative costs for fiscal 2011 totaled \$8,280,139. That figure includes both the Ohio Attorney General's administrative costs and Court of Claims' administrative appellate costs. While the number of appeals dropped from 104 to 98, Court of Claims' costs for handling those appeals increased 9.7 percent, rising from \$1,226,348 to \$1,345,351, for an average cost of \$13,728 per appeal.

The Attorney General's costs decreased 9 percent, from \$7,614,189 to \$6,934,789. The most significant change was in personnel expenses, which dropped 18.4 percent from the previous fiscal year. As this involved 6,574 claims, the Attorney General's cost per claim averaged \$1,055.

As is indicated in the graph below, overall administrative costs decreased 6 percent in fiscal 2011 compared to the year before.

Application and Award Summary

The chart below details the number of original and supplemental new claims received, claims decided, and claims paid. The number of applications received decreased 12 percent in fiscal 2011, while the average award increased 17.6 percent, rising from \$2,465 in fiscal 2010 to \$2,899 in fiscal 2011.

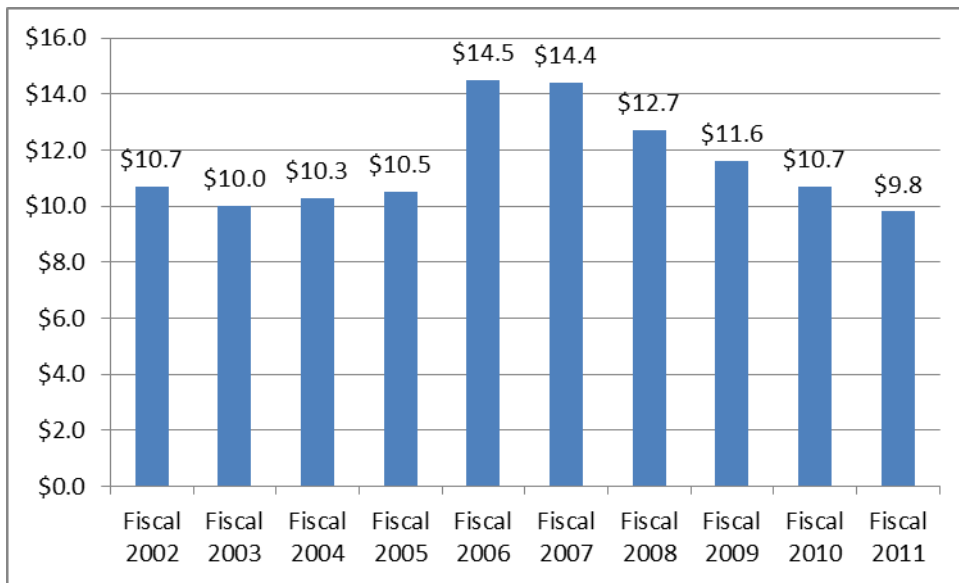

Of particular note is that the average time for a victim to receive a decision on an application decreased almost two weeks, from 94 days to 82 days. While that may not seem important to some, 12 days is a significant length of time if victims are waiting to hear if lost wages will be compensated so they can pay their rent or mortgage and feed their family.

**Fund Balance for Fiscal 2000 through 2011
(in millions)**

The fund’s balance has declined more than \$25 million over the past 12 years, but has stabilized in recent years, as illustrated in the chart below.

In fiscal 2011, receipts outnumbered disbursements by \$1,854,117.63, and the fund balance grew 4.8 percent, from \$12,520,094.82 to \$13,120,714.72. (See the balance sheet on Page 12.)

Attorney Fees

Two types of attorney fees are payable under the crime victim compensation statute.

Under ORC 2743.65, an applicant may seek the assistance of an attorney in filing for compensation or in appealing a decision of the Attorney General’s Office. The \$283,671 in attorney fees paid out in fiscal 2011 represents a 6.2 percent decline from the previous year.

Under ORC 2743.51(F)(4), attorneys who assist the claimant with successfully obtaining a protection order or another order to physically separate the victim from the offender may receive reasonable attorney fees not exceeding \$1,320 at a rate not exceeding \$60 per hour. In fiscal 2010, those fees totaled \$1,364,468.42. In fiscal 2011, they dropped tremendously, to only \$291,572.50, the smallest total since fiscal 2005. A number of local victim service agencies expressed alarm that their clients were no longer able to find local legal counsel to assist them with obtaining a protection order. As a result, the legislature amended the fee rate, but the outcome will not be seen until fiscal 2012.

Awards by Incident Type

As in past years, the majority of the awards paid went to victims of assault (48 percent). Next were awards related to incidents of domestic violence (13.7 percent), sexual assault (12.5 percent), and robbery (8.5 percent).

Incident Type	Number of Awards	Percent of Total
Assault	2,881	48.0%

Subrogation

The Attorney General continues to honor his statutory duty to subrogate and hold offenders financially accountable for their crimes. The Subrogation Unit's collection efforts against offenders, insurance companies, and other liable parties allow for the fund to be reimbursed. The chart below depicts the results of the subrogation unit's efforts, which included returning \$426,642.15 in fiscal 2011.
