★ OHIO ATTORNEY GENERAL ★

Dear Colleagues,

Through the Ohio Victims of Crime Compensation Fund, the Ohio Attorney General's Office helps individuals and families affected by violent crime with the emotional and financial consequences of their experience.

The fund, of course, is more than the sum of its awards. It's one way to help people who have been impacted by crime.

A family member of a drunk driving victim told us the award "has meant everything to his recovery." A victim of domestic violence said, "I just want to thank you for helping me. My life has changed so much." And a provider of victim services praised our Cleveland office's "flexibility and willingness to help" after a shooting incident.

Since its inception in 1976, the fund has paid more than \$327 million in compensation to victims of violent crime in Ohio. Our office received 6,319 requests for compensation in fiscal 2012 and paid an average of \$2,714 per claim. The Ohio Victims of Crime Compensation Fund assists victims and their families in recovering expenses that include, but are not limited to, medical expenditures, lost wages, funeral costs, and future economic support for dependents of a homicide victim.

In addition to monetary assistance, the Crime Victim Services Section regularly helps victims and their families access state and local resources beyond the core programs the section oversees. The staff trained and educated more than 11,000 people in diverse topics such as victim compensation, VINE (Victim Information and Notification Everyday), elder abuse, domestic violence, cybercrimes, bullying, sexual assault, and child abuse.

The Grant Unit provides funding to worthy programs across the state, ensuring that victims have access to resources when they desperately need assistance. When victims or their families contact our office for help that is beyond the scope of our programs, they are treated with compassion and empathy and directed to local entities for additional follow-up.

My office has worked with the General Assembly to remove barriers and expand eligibility in the program. At the same time, we have looked for ways to safeguard the compensation fund's future solvency. The Ohio Victims of Crime Compensation Fund has helped many vulnerable Ohioans harmed by violent crime begin to recover and rebuild their lives. We are committed to assisting victims of crime today and exercising good stewardship of the fund on behalf of Ohioans who will need it tomorrow.

Very respectfully yours,

Mike DeWine  
Ohio Attorney General

## Introduction

The Ohio Victims of Crime Compensation Fund was created in 1976 to help ease the financial impact inflicted on innocent victims of violent crime. Until July 1, 2000, primary responsibility for the fund's oversight rested with the Court of Claims of Ohio. The Attorney General's Office made recommendations to the court concerning applications for reparations, and the court rendered the decisions. Responsibility for the fund was transferred to the Attorney General's Office on July 1, 2000, and other benefits have been added through legislation over the years. This transfer has resulted in a less bureaucratic system, a more streamlined compensation process, and, most importantly, faster financial assistance to victims. The benefits of these changes can be seen in the statistics provided within this report.

In addition to the compensation program, the Crime Victim Services Section of the Ohio Attorney General's Office administers state and local grants, conducts training, and provides education. While Ohio Revised Code Section 2743.69 requires only an annual report regarding the compensation program, we are proud of the other exciting things that our section accomplished in fiscal 2012, and as such have included a brief summary of those items as well. (Please note that the Missing Persons Unit and the Identity Theft Passport Unit, which also operated within this section in fiscal 2012, have their own statutorily required annual reports, so their information is not included here.) This report covers the period from July 1, 2011, to June 30, 2012.

## Grants Unit

The Grants Unit of the Crime Victim Services Section administers state and federal grants to victim service providers. These State Victims Assistance Act (SVAA) and federal Victims of Crime Act (VOCA) grants are made up of funds from court costs and fees, not taxpayer dollars. Recipients generally include battered women's shelters, rape crisis centers, prosecutor-based victim/witness programs, special advocates for child victims, and other similar governmental and nonprofit agencies that provide direct services to crime victims. In all, 274 victim service providers throughout Ohio received 207 SVAA and 244 VOCA grants totaling more than \$17 million for the 2012--13 grant year.

These programs serve hundreds of thousands of Ohio crime victims each year, providing support and guidance at a time when they are most vulnerable. New grant recipients this year included Athens County Child Advocacy Center, A Caring Place Child Advocacy Center, The Children's Center of Medina County, and the Child Advocacy Center of Warren County. All of these programs are specialized programs serving children who have been physically or sexually abused. These programs' innovative approaches pull together law enforcement, criminal justice, child protective service, medical and mental health workers, and victim advocacy onto one coordinated team.

## Education and Training Unit

The Education and Training Unit has created a comprehensive model that provides education and training, writes grants, develops policy, and provides direct services to victims. To ensure fair and equitable access to quality services for victims throughout the state, the team provides education at the individual, community, and system levels. To do so, staff members use a variety of media (i.e., literature, websites, news releases, etc.) and offer a host of trainings that range from one hour to one week long depending on the topic and the audience.

Trainings generally are supported by national curricula, evidence-based findings, and practical experience. During this fiscal year, more than 11,000 professionals and citizens received some form of training from the team.

Here is a look at trainings provided on various topics in fiscal 2012:

### Domestic Violence/Sexual Assault

The Domestic Violence and Sexual Assault Program (DV/SA) within the Crime Victim Section has undergone a transformation that increases visibility statewide for the Attorney General's Office. This has been accomplished through multi-disciplinary trainings, policy development, and committee work.

In fiscal 2012, the DV/SA program was the lead host for 10 trainings related to improving the response to sexual assault. Through a federal grant from the U.S. Department of Justice, Office of Violence Against Women, staff recruited experts from law enforcement, advocacy, health care, and prosecution to develop training models and identify best practices related to sexual assault response.

- The team provided four regional trainings titled Non-Stranger Sexual Assault: A SART Response, drawing about 105 participants from predominantly rural areas. At least three participants returned to their communities to begin facilitating their own community Sexual Assault Response Teams (SART). Through word of mouth, two additional communities have sought technical assistance to develop SARTs.
- To provide better training for law enforcement, a frequent first responder to sexual assault, Crime Victim Services formed a partnership with the Ohio Peace Officer Training Academy (OPOTA). The resulting four regional trainings, titled Non-Stranger Sexual Assault: Investigation and Interview, trained more than 200 officers. An additional 85 officers attended a training in Tiffin, and a majority of them noted on evaluations that the training changed their thinking about how to investigate these difficult cases.
- The section arranged training for 69 prosecutors and law enforcement officers through a leading resource for prosecutors on sexual violence issues. The session, Prosecuting the Non-Stranger Rapist, prompted several prosecutors to request future trainings.

### Sexual Assault Forensic Exam program

The Sexual Assault Forensic Exam (SAFE) program is essential to our efforts to improve outcomes for victims of rape. The SAFE program is statutorily mandated (ORC Section 2907.28) to cover the medical expenses of patients examined after a sexual assault for the collection of physical evidence for possible prosecution.

The SAFE program is proactive in identifying improvement areas, and in July 2011 released a new reimbursement form that provides important data related to sexual assault. The program now:

- Requires a specified level of expertise on pediatric sexual assault examinations
- Requires personal identifiers to better reduce duplicate payments
- Captures date on the age of perpetrators
- Captures data on suspected drug-facilitated sexual assaults.

The SAFE program reimbursed medical facilities for 6,143 exams at a cost of more than \$3.2 million in fiscal 2012.

## **Domestic Violence Collaborative Efforts**

One of the first steps in reducing intimate partner violence (IPV) is addressing the systemic response. Staff assisted with the review of the current Domestic Violence Workplace Policy of the Ohio Attorney General's Office for updates and integrated new information. This work has identified the Attorney General's Office as an agency with a goal of ending IPV. Nationwide Insurance has asked the staff to present information on the policy and IPV to its employees. The policy changes include:

- Stalking, sexual assault, and safety planning were added to address the ways many survivors are harmed by their partners.
- Information on responding to staff who perpetrate was added to focus on victim-centered intervention.
- The process was streamlined, through the equal employment officer, so victims can access donated time when trying to attend court proceedings, counseling, and other important services.

In partnership with the Ohio Domestic Violence Network, staff played a significant role on the network's Project Connect committee. This group worked to develop tools and resources for health care providers to use when assessing patients for reproductive coercion, a tactic abusive partners use to impregnate a partner or force them to end a pregnancy. This project focused predominantly in health and family planning clinics, where at some sites 100 percent of patients experienced reproductive coercion.

## **Elderly**

The unit provides training and policy development on elder abuse and other crimes committed against the elderly. Training efforts this year were heavily focused on law enforcement officers, prosecutors, and judges. The unit also leads the work of the Attorney General's Elder Abuse Commission, which includes representatives of various state agencies and associations charged with raising awareness, increasing research, and improving policies related to elder abuse.

In fiscal 2012, 903 criminal justice professionals and victim advocates were trained on elder abuse issues.

## **Special Events and Outreach**

The Education and Training Unit coordinates special events and outreach activities by streamlining scheduling, registration, and logistical support and filing for continuing education credits.

The unit is responsible for organizing the Two Days in May Conference on Victim Assistance, one of the nation's largest training events on crime victim advocacy. The office trained 1,042 victim advocates and criminal justice professionals at the 2012 conference.

Through its BASICS (Basic Advocacy Skills in Crime Victim Services) Academy, the office trained 34 victim advocates and criminal justice professionals in fiscal 2012.

After its initial contact with a victim of a crime, the law enforcement agency responsible for investigating the crime must promptly provide the victim, in writing, an explanation of his or her rights. To facilitate that service, the Crime Victim Services Section produces "Picking Up the Pieces: Helping Crime Victims Rebuild Their Lives," an overview of the special rights and privileges accorded victims of crime under Ohio law. The Crime Victim Services Section distributed 47,383 booklets to 334 agencies in fiscal 2012.

## Victim Information and Notification Everyday

Staff members help crime victims and other concerned citizens in gaining access to information about criminal cases and custody status of offenders through the Victim Information and Notification Everyday (VINE) program. VINE provides information on the status of offenders in the Ohio Department of Rehabilitation and Correction, Ohio Department of Youth Services, and county jails by telephone or online 24 hours a day. Individuals can register to be notified by phone, e-mail, text message (SMS), or text telephone (TTY) device when an offender's custody status changes. Users also can register through their participating state or county toll-free number.

Here is a look at fiscal 2012 VINE statistics:

- On average, 55,798 online searches were conducted each month at [www.vinelink.com](http://www.vinelink.com), the primary registration point for Ohio.
- On average, 2,764 new registrations are logged each month.
- VINELink usage increased 24 percent over comparable 12-month periods, from 540,464 to 669,578.
- New registrations increased 10 percent, from 30,201 to 33,173.
- Phone notifications were up 26 percent, from 140,776 to 177,580.
- E-mail notifications have increased 11 percent, from 30,913 to 34,284.

## Youth

The Education and Training Unit also focuses on cyber bullying and Internet safety. This year, the unit provided education and outreach for students, primarily in fifth through 12th grades), educators, other school staff members, criminal justice professionals, and other interested parties. Trainings also focused on child sexual abuse.

The unit trained 5,894 students, educators, parents, and community leaders on cyber bullying and Internet safety in fiscal 2012. In addition, 56 law enforcement officers, prosecutors, forensic interviewers, and child protective service workers were trained to interview and prepare children for court through Finding Words, an intensive five-day course that teaches professionals the necessary skills to conduct competent investigative interviews of child abuse victims.

The unit also conducted a statewide Foster Youth Symposium to identify challenges facing youth who transition out of foster care into adult life and to make recommendations on how to improve outcomes for those youth.

## Crime Victim Compensation Program

Chapter 2743 of the Ohio Revised Code governs the compensation program, which allows applicants to be reimbursed up to \$50,000 for economic losses they incur as a result of a violent crime. Economic losses that can be recovered are:

- Medical and related expenses
- Funeral and burial expenses (up to \$7,500)
- Dependents' economic losses resulting from the death of a victim
- Counseling expenses for immediate family members of victims of domestic violence, sexual assault, homicide, or a crime that has resulted in a severe and permanent incapacitating injury such as paraplegia (up to \$2,500 per family member)
- Crime scene cleanup expenses (up to \$750)
- Compensation for property held as evidence (up to \$750)

Victims cannot receive compensation for pain and suffering or stolen property. Also, the program is a payer of last resort and will not compensate for economic losses that can be recovered from another source.

In order to participate in the program, the victim:

- Must not have engaged in any conduct that substantially contributed to the injuries sustained
- Must not have engaged in violent felonious conduct or drug trafficking within 10 years of the incident for which the claim has been filed with this office
- Must not have any felony convictions, domestic violence convictions, or child endangering convictions within 10 years of the incident for which the claim has been filed with this office.

## Administrative Costs

Administrative costs for fiscal 2012 totaled \$7,245,859. That figure includes both the Ohio Attorney General's administrative costs and Court of Claims' administrative appellate costs. The number of appeals to the Court of Claims dropped from 98 to 66. Court of Claims' costs for handling those appeals decreased from \$1,345,351 to \$1,053,868, for an average cost of \$15,968 per appeal, a 14 percent increase in average cost per appeal over last year.

The Attorney General's costs decreased 11 percent, from \$6,934,789 to \$6,191,991. As this involved 6,319 claims, the Attorney General's cost per claim averaged \$979, a 7 percent decrease from fiscal 2011.

As is indicated in the following graph, overall administrative costs decreased 12 percent in fiscal 2012 compared to the year before.

## Application and Award Summary

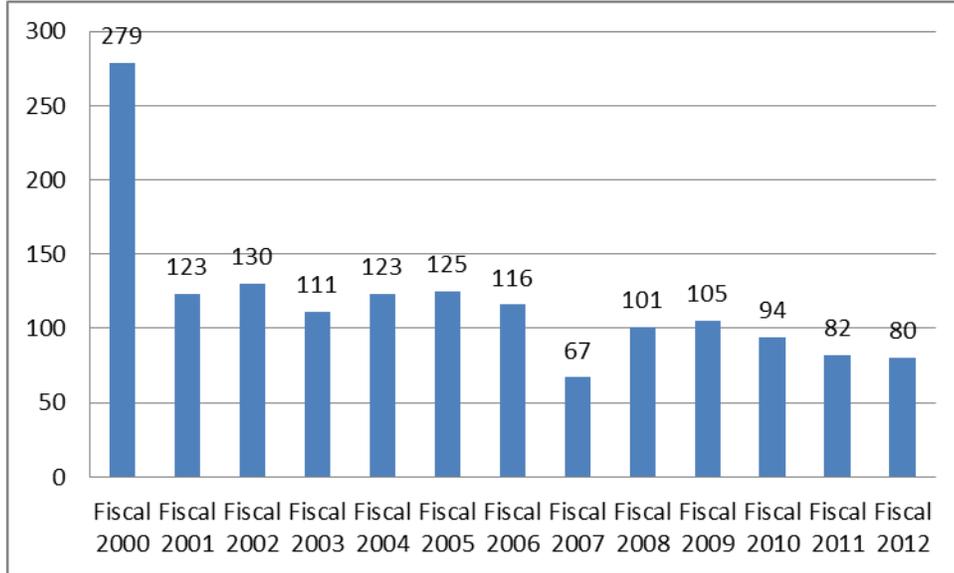

The chart below details the number of original and supplemental new claims received, claims decided, and claims paid. The number of applications received decreased 3 percent in fiscal 2012, while the average award decreased 6 percent, from \$2,899 in fiscal 2011 to \$2,714, which may be attributed to more effective utilization of collateral sources by the Compensation Unit.

Of particular note is that the average time for a victim to receive a decision on an application continued to decrease, from 82 days to 80. Since fiscal 2010, the turnaround time has fallen two weeks, a significant length of time for victims who are waiting to hear if lost wages will be compensated or medical bills will be paid.

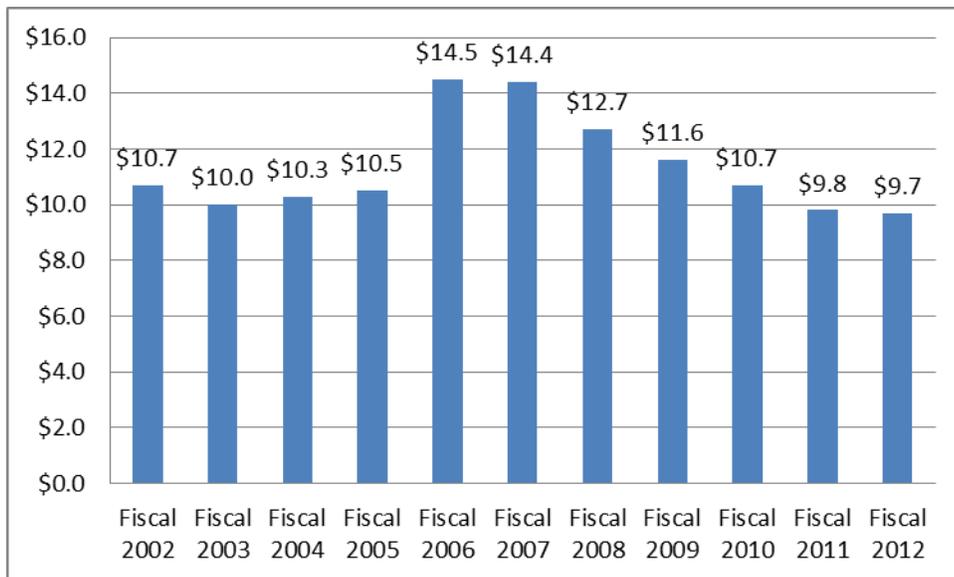

Also of significance is the number of claims appealed to the Court of Claims, which dropped by 33 percent, from 98 to 66. This is evidence of the Compensation Unit staff making faster, better decisions.

## Fund Balance for Fiscal 2000 through 2012 (in millions)

The fund's balance has declined more than \$25 million over the past 12 years, but has stabilized in recent years, as illustrated in the chart below. Fiscal 2012 saw a slight dip of 4.6 percent in the fund total, back down to the fiscal 2010 balance of \$12.5 million.

### Attorney Fees

Two types of attorney fees are payable under the crime victim compensation statute.

Under ORC Section 2743.65, an applicant may seek the assistance of an attorney in filing for compensation or in appealing a decision of the Attorney General's Office. The \$218,206 in attorney fees paid out in fiscal 2012 represents a 23 percent decline from the previous year.

Under ORC Section 2743.51(F)(4), attorneys who assist the claimant with successfully obtaining a protection order or another order to physically separate the victim from the offender may receive reasonable attorney fees not exceeding \$1,000 at a rate not exceeding \$100 per hour. In fiscal 2010, those fees totaled \$1,364,468.42. In fiscal 2011, they dropped tremendously, to only \$291,572.50, the smallest total since fiscal 2005. However, a number of local victim service agencies expressed concern that their clients were no longer able to find local legal counsel to assist them with obtaining a protection order. As a result, the legislature amended the fee rate, and the result can be seen in fiscal 2012 figures. The total amount paid to attorneys assisting with protection orders increased 20 percent to \$363,878.

## Awards by Incident Type

As in past years, the majority of the awards paid went to victims of assault (46 percent). Next were awards related to incidents of domestic violence (15.9 percent) and sexual assault (11 percent).

Incident Type	Number of Awards	Percent of Total
Assault	2,834	46.0%
Child Endangerment	24	0.4%
Domestic Violence	981	15.9%
Homicide	570	9.3%
Motor Vehicle	337	5.5%
Robbery	559	9.1%
Sexual Assault	678	11.0%
Other	24	0.4%
Stalking / Menacing	149	2.4%
<b>Total</b>	<b>6,156</b>	

## Subrogation

The Attorney General continues to honor his statutory duty to subrogate and hold offenders financially accountable for their crimes. The Subrogation Unit's collection efforts against offenders, insurance companies, and other liable parties allow for the fund to be reimbursed. The chart below summarizes the results of the subrogation unit's efforts, which included returning \$451,830 to the fund in fiscal 2012, a 6 percent increase over fiscal 2011.
