**MIKE DEWINE**

★ OHIO ATTORNEY GENERAL ★

Dear Colleagues,

My office is committed to helping individuals and families affected by violent crime confront the emotional and financial consequences of their experience. We also support Ohio communities' crime prevention and victim assistance efforts and provide training and other resources for victims and their advocates. Most of this very important work is carried out by our Crime Victim Services staff.

Ohio Revised Code (ORC) Section 2743.69 requires my office to provide an annual update on the Ohio Victims of Crime Compensation Fund. This report – covering the period of July 1, 2012, to June 30, 2013 – fulfills that mandate and also details my office's many other efforts to ease the burden crime victims face through no fault of their own.

Through the compensation fund, our office helps victims and their families recover certain expenses and gain economic support for homicide victims' dependents. Since its inception in 1976, it has provided more than \$336 million to victims of violent crime in Ohio. In fiscal year 2013, the office fulfilled 3,320 requests for compensation, paying an average of \$2,774 per claim.

In addition, all Ohio counties shared in the more than \$17.7 million in grants awarded to 276 community agencies during the period, ensuring that victims have access to desperately needed resources. Crime Victim Services staff also trained nearly 5,000 people throughout the year on such topics as victim compensation, elder abuse, domestic violence, sexual assault, and child abuse. And our Two Days in May Conference on Victim Assistance – one of the largest gatherings of its kind in the nation – drew more than 1,000 victim advocates and criminal justice professionals for insightful presentations, valuable workshops, and an Anti-Bullying Symposium aimed at identifying issues and proposing solutions.

These are just a few examples of our commitment to assisting crime victims and the advocates who work on their behalf. Should you have any questions or suggestions for how we can better serve Ohio's crime victims, please contact Crime Victim Services Section Chief Tannisha Bell at 614-466-5610 or [Tannisha.Bell@OhioAttorneyGeneral.gov](mailto:Tannisha.Bell@OhioAttorneyGeneral.gov).

Very respectfully yours,

Mike DeWine  
Ohio Attorney General

## Introduction

The Ohio Victims of Crime Compensation Fund was created in 1976 to help ease the financial impact inflicted on innocent victims of violent crime. Responsibility for the fund was transferred from the Court of Claims of Ohio to the Ohio Attorney General's Office on July 1, 2000, and other benefits have been added through the years. In addition to overseeing the compensation program, the Attorney General's Crime Victim Services Section administers state and federal grants to support communities' victim assistance programs; provides education and training for victims, victim advocates, and the general public; and ensures that other resources are in place to ease crime victims' challenges.

## Grants Unit

The Grants Unit of the Crime Victim Services Section administers state and federal grants to victim service providers. These State Victims Assistance Act (SVAA) and federal Victims of Crime Act (VOCA) grants are made up of funds from court costs and fees, not taxpayer dollars. Recipients generally include domestic violence shelters, rape crisis centers, prosecutor-based victim/witness programs, child advocacy centers, and other similar governmental and nonprofit agencies that provide direct services to crime victims.

Every Ohio county shared in the more than \$17.7 million in grants distributed to 276 organizations in fiscal year 2013. Newly funded agencies included child advocacy centers in Belmont, Guernsey, Hancock, Montgomery, and Tuscarawas counties. These centers provide a place where advocates, law enforcement, nurses, and other professionals come together to assist families and children who have been abused. The Grant Unit is also working toward expanding services to survivors of sexual assault throughout the state. As a result of the Sexual Assault Services Expansion Program and targeted grants, Crawford, Wyandot, Perry, and Meigs counties now have access to emergency rape crisis services. These programs serve thousands of Ohioans each year, providing support and guidance at a time when victims are most vulnerable.

## Education and Policy Unit

The Education and Policy Unit has created a comprehensive model to ensure equitable access to quality services for victims throughout the state. Unit staff provides training and technical assistance, develops resources, and helps advance policies that secure rights and protections for victims. During fiscal year 2013, more than 5,000 individuals received some form of assistance from the team. Here is a look at assistance provided on various topics in fiscal 2013:

### Domestic Violence/Sexual Assault

Crime Victim Services offers multidisciplinary trainings and helps develop policy to address the crimes of domestic violence and sexual assault statewide.

In fiscal 2013, the section's Domestic Violence/Sexual Assault Program was the lead host for 10 trainings related to improving the response to sexual assault. The concept of a collaborative response was stressed in trainings, policy development work, and conversations about the importance of a victim-centered response.

- The sexual assault response training team provided seven regional Sexual Assault Response and Investigation trainings. Five of the trainings evolved out of a relationship with the Ohio Board of Regents, which requested training for its campus-based law enforcement officers. Officers from large and small campuses gained information to improve their response to campus area rapes. The other two trainings assisted communities working to develop local response teams.
- The section hosted two trainings at Ohio military bases to help improve the response involving victims of sexual assault in the military. The trainings were intended to help local law enforcement understand the needs of members of the military and the chain of command since many victims in the military report crimes to local departments.
- The section also partnered with the Ohio Peace Officer Training Academy (OPOTA) to develop an eOPOTA course on sexual assault investigation. This online program offers much of the same information provided in regional trainings, including interviewing victims and suspects. More than 365 officers had taken the course as of the close of the fiscal year.
- To strengthen community response to victims of sexual assault, the section offered a Sexual Assault Response Team training and provided technical assistance to help several rural counties develop their protocols on domestic and sexual violence response.

### Sexual Assault Forensic Exam program

The Sexual Assault Forensic Exam (SAFE) program is essential to the Attorney General's efforts to improve outcomes for victims of rape. The SAFE program is statutorily mandated by ORC Section 2907.28 to cover the medical expenses of patients examined after a sexual assault to ensure the proper collection of physical evidence for possible prosecution. The SAFE program reimbursed medical facilities for 6,262 exams at a cost of more than \$3.3 million in fiscal year 2013.

The SAFE program made strides in fiscal year 2013 to improve the reimbursement claim submission process, speed up payment times, and maintain connections with partner agencies as a result of these developments:

- Every health care facility receiving reimbursements was required to identify a facility coordinator to serve as the primary contact for updates, questions, and corrections.
- Five pilot sites were chosen to begin using the newly created online submission form, ensuring a smoother rollout to all medical facilities.
- SAFE staff members co-chair the Sexual Assault Advisory Board of Ohio, the multidisciplinary group responsible for reviewing the forensic medical exam protocol, identifying concerns involving forensic exams, and providing training and technical assistance to medical facilities and providers around the state.

## Elderly

The Education and Policy Unit provides training and policy development on elder abuse and other crimes committed against the elderly. Training efforts this year were heavily focused on law enforcement officers, prosecutors, and judges. The unit also leads the work of the Attorney General's Elder Abuse Commission, which includes representatives of various state agencies and associations charged with raising awareness, increasing research, and improving policies related to elder abuse.

In fiscal year 2013, 1,208 criminal justice professionals and victim advocates were trained on elder abuse issues.

## Support and Outreach Services

The Support and Outreach Services Unit was developed within the Crime Victim Services Section in fiscal year 2013 to advocate directly for victims and to educate and reach out to communities about available services. The unit coordinates training, special events, and outreach activities by streamlining scheduling, providing registration and logistical support, and filing for continuing education credits.

The unit is responsible for organizing the Two Days in May Conference on Victim Assistance, one of the nation's largest training events on crime victim advocacy. The office trained 1,082 victim advocates and criminal justice professionals at the 2013 conference.

In addition, through its BASICS (Basic Advocacy Skills in Crime Victim Services) Academy, the office trained 40 victim advocates and criminal justice professionals in fiscal year 2013.

After its initial contact with a victim of a crime, the law enforcement agency responsible for investigating the crime must promptly provide the victim, in writing, an explanation of his or her rights. To facilitate that service, the Crime Victim Services Section produces the Ohio Crime Victims' Rights booklet, an overview of the special rights and privileges accorded victims of crime under Ohio law. The Crime Victim Services Section distributed 34,500 booklets on victims' rights to 214 agencies in fiscal year 2013.

## Victim Information and Notification Everyday

Staff members help crime victims and other concerned citizens gain access to information about the criminal cases and custody status of offenders through the Victim Information and Notification Everyday (VINE) program. VINE provides information on the status of offenders within the Ohio Department of Rehabilitation and Correction and Ohio Department of Youth Services systems and county jails by telephone or online 24 hours a day. Individuals can register to be notified via VINEmobile, phone, email, text message (SMS), or text telephone (TTY) device when an offender's custody status changes. Users can also register through their participating state or county toll-free number.

Here is a look at fiscal year 2013 VINE statistics:

- On average, 74,872 online searches were conducted each month at [www.vinelink.com](http://www.vinelink.com), the primary registration point for Ohio.
- On average, 3,375 new registrations are logged each month.
- VINELink usage increased 23 percent over comparable 12-month periods, from 669,578 to 824,918.
- New registrations increased 22 percent, from 33,173 to 40,505.
- Phone notifications were up 8 percent, from 177,580 to 191,459.
- E-mail notifications increased 24 percent, from 34,284 to 42,599.
- The VINEmobile application was introduced in February 2013 and logged 1,824 site searches.

## Youth

The Education and Policy Unit conducted a statewide Anti-Bullying Symposium to address the widespread and often underreported problem of bullying in schools and communities. The symposium brought together nearly 200 leaders from the education, health, and justice systems to identify the issues and potential solutions.

In addition, 76 law enforcement officers, prosecutors, forensic interviewers, and child protection professionals were trained to interview and prepare children for court through Finding Words Ohio, an intensive five-day course that teaches professionals the necessary skills to conduct competent investigative interviews of child abuse victims.

## Crime Victim Compensation Program

ORC Section Chapter 2743 governs the compensation program, which allows applicants to be reimbursed up to \$50,000 for economic losses they incur as a result of a violent crime. Economic losses that can be recovered are:

- Medical and related expenses
- Funeral and burial expenses (up to \$7,500)
- Dependents' economic losses resulting from the death of a victim
- Counseling expenses for immediate family members of victims of domestic violence, sexual assault, homicide, or a crime that has resulted in a severe and permanent incapacitating injury such as paraplegia (up to \$2,500 per family member)
- Crime scene cleanup expenses (up to \$750)
- Compensation for property held as evidence (up to \$750)

Victims cannot receive compensation for pain and suffering or stolen property. Also, the program is a payer of last resort and will not compensate for economic losses that can be recovered from another source.

In order to participate in the program, the victim:

- Must not have engaged in any conduct that substantially contributed to the injuries sustained
- Must not have engaged in violent felonious conduct or drug trafficking within 10 years of the incident for which the claim has been filed with this office
- Must not have any felony convictions, domestic violence convictions, or child endangering convictions within 10 years of the incident for which the claim has been filed with this office.

## Administrative Costs

Administrative costs for fiscal year 2013 totaled \$7,042,442. That figure includes both the Ohio Attorney General's administrative costs and Court of Claims' administrative appellate costs. The number of appeals to the Court of Claims increased from 66 to 75. Court of Claims' costs for handling those appeals decreased from \$1,053,868 to \$659,149, for an average cost of \$8,789 per appeal, a 45 percent decrease in average cost per appeal over the year before.

The Attorney General's costs increased 3 percent, from \$6,191,991 to \$6,383,293. As this involved 5,630 claims, the Attorney General's cost per claim averaged \$1,134.

As is indicated in the following graph, overall administrative costs decreased 3 percent in fiscal 2013 compared to the year before.

## Application and Award Summary

The Compensation Unit processed more than 5,630 compensation claims in fiscal year 2013. The average award for claims totaled \$2,774, up from \$2,714 the year before. The total amount paid to crime victims throughout the state was \$9,208,807.80 in fiscal year 2013. The number of supplemental claims continues to decrease as the Attorney General's Office makes a concerted effort to consider all out-of-pocket expenses incurred by the applicant in the initial claims, reducing the need for supplemental claims. The unit's goal for the upcoming year is to make more people statewide aware of the compensation program and the assistance available.

## Fund Balance for Fiscal 2004 through 2013 (in millions)

The fund's balance has declined over the past 10 years, but has stabilized in recent years, as illustrated in the chart below. Fiscal year 2013 saw an increase in the fund total of 10.4 percent.

## Attorney Fees

Two types of attorney fees are payable under the crime victim compensation statute.

Under ORC Section 2743.65, an applicant may seek the assistance of an attorney in filing for compensation or in appealing a decision of the Attorney General's Office. The \$230,868 in attorney fees paid out in fiscal year 2013 represents a 5.8 percent increase from the previous year.

Under ORC Section 2743.51(F)(4), attorneys who assist the claimant with successfully obtaining a protection order or another order to physically separate the victim from the offender may receive reasonable attorney fees not exceeding \$1,000 at a rate not exceeding \$100 per hour. Attorney fees for reasonable travel time incurred to attend court hearing are paid at a rate not exceeding \$30 per hour. The total amount paid to attorneys assisting with protection orders increased 16.9 percent in fiscal year 2013, from \$363,878.16 to \$425,263.85.

## Awards by Incident Type

As in past years, the majority of the awards paid went to victims of assault (45.4 percent). Next were awards related to incidents of domestic violence (16.9 percent) and sexual assault (12.2 percent).

## Subrogation

The Attorney General holds offenders financially accountable for their crimes. The Subrogation Unit's collection efforts against offenders, insurance companies, and other liable parties allow for the fund to be reimbursed. The chart below summarizes the results of the Subrogation Unit's efforts, which included returning \$354,316 to the fund in fiscal year 2013, a 21.6 percent decrease over the year before.
