HON. A. T. CONNAR, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval a contract between the State of Ohio, acting by the Department of Public Works for the Department of Public Welfare, and the Electric Construction and Sales Company of Cleveland, Ohio. This contract covers the construction and completion of contract for electrical work to be installed in a building known as the storeroom, cold storage, kitchen and equipment for the Cleveland State Hospital, Cleveland, Ohio, as set forth in Item No. 1 of the form of proposal dated November 7, 1930. Said contract calls for an expenditure of three thousand four hundred (\$3,400) dollars.

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. In addition, you have submitted a contract bond, upon which the Commercial Casualty Insurance Company of Newark, New Jersey, appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law, and the contract duly awarded. Also it appears that the laws relating to the status of surety companies and the Workmen's Compensation have been complied with.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.
