Investigative Report

Title / Subject: SUPPLEMENT REPORT

On May 30th, 2022 at approximately 0300 hours, I, Ptlm. Westfield #554, was radio dispatched to 15310 Fernway Dr. for a report of approximately 17 shots being fired.

Upon our arrival, Ptlm. Lowe #563, and I made contact with, Demarco Henderson, who was parked on the street in front of 15304 Fernway Dr in his 2019 white Nissan bearing Ohio License Plate #JIR8558 VIN: 1N4BL4BV1KC230685 at the time of the shooting. Demarco stated he was sitting in his vehicle with his friend, Jordanne Jones. Demarco stated a gray Ford Focus unknown license plate pulled up and began shooting at the residence of 15310 Fernway Dr. According to Demarco, the shots came from the rear driver seat window. Demarco stated the Ford fled westbound towards Dunham Rd.

Ptlm. Lowe, spoke with the resident of 15304 Fernway Dr., Chara Thompson, who advised she was inside her residence with her daughter, Charla Williams, when her residence was struck numerous times by gunfire. See Ptlm. Lowe's initial report for more information.

REF: MA-22-10109615. At approximately 0410 hours, we cleared Fernway Dr. and Ptlm. Lowe responded to the Maple Heights Police Department to begin paperwork. OIC, Frazier and I, responded to the Service Garage for fuel and to check a special attention. At approximately 0414 hours, I heard one shot being fired coming from the area of Fernway Dr. I broadcasted information to available units. OIC, Frazier and I, responded back to Fernway Dr. and were flagged down by residents. Residents advised the same vehicle (Gray Ford) returned and fired a shot than fled towards Dunham Rd. Moments later, Ptlm. Mijangos #551, broadcasted that he had eyes on a gray Ford and that the Ford was speeding northbound on Broadway Ave. Ptlm. Mijangos advised the vehicle was not stopping to his emergency signals. See Ptlm. Mijangos pursuit report and supplement for further detail.

Ptlm. Mijangos advised the Ford crashed on Buckeye Rd near McCurdy Ave and three subject males fled the vehicle. While OIC Frazier, and I, were attempting to catch up to the pursuit. Cdt. Duncan broadcasted that three males ran from the vehicle. Shortly afterwards, Cdt. Duncan advised via radio one subject male was shot. OIC Frazier and I, arrived on the scene of the last known location provided by Ptl. Mijangos. As I exited my marked police unit #4402, Cdt. Duncan yelled "over here". Officers ran to Cdt. Duncan's location.

I observed Cdt. Duncan standing behind a tree in front of 2747 McCurdy Ave. just at the corner of the driveway. I observed the subject male lying in the front yard of 2747 McCurdy Ave. The residence was fenced in. I drew my service weapon and gave verbal commands, "show your hands". The subject male was not moving. I jumped over the fence and slowly approached the subject. The subject was bleeding excessively from his lower torso. Cdt. Duncan and I placed the subject in handcuffs. Cleveland PD responded and began CPR on the subject. Cleveland EMS arrived and transported the subject to the University Hospital Main Campus located at 11100 Euclid Ave. I followed behind Cleveland EMS Squad.

Upon arrival, UH pronounced the male deceased at 0454 by MD. Mcfarland.

This report will be attached to the initial report. My POV was downloaded to the Maple Heights Police Department computer system.
