

Ohio Attorney General's Office  
Bureau of Criminal Investigation  
Investigative Report

2021-2286  
Officer Involved Critical Incident – 2469 Kimberly Pkwy. E,  
Columbus, OH 43232 (L)

**Investigative Activity:** Interview with Witness  
**Involves:** Roger Dale Slate (W)  
**Date of Activity:** 09/29/2021  
**Activity Location:** Scene – 2469 Kimberly Pkwy. E, , Columbus, OH 43232, Franklin County  
**Author:** SA Ryan D. Scheiderer, #89

**Narrative:**

On September 29, 2021, at approximately 1315 hours, Ohio Bureau of Criminal Identification and Investigation (BCI) Special Agent (SA) Ryan Scheiderer met with Roger Slate (Slate) at 2469 Kimberly Parkway E. in Columbus, Ohio, to discuss why his red 2002 Jeep Cherokee bearing Ohio temporary registration M554544 was parked at that location. The vehicle had a cracked windshield and the rear driver's side cargo area window was busted with what appeared to be a point of origin for the damage. Agents were concerned the vehicle may have been struck by bullets when an officer from the Columbus Division of Police (CPD) fatally shot Kyle Veyon (Veyon) in the street on Kimberly Parkway.

Slate explained he lived on Kimberly Parkway E. until July 15th of this year. Slate left the Jeep parked at this location because the tires were flat and he wasn't able to move it. Initially, Slate claimed the vehicle had no other damage. Slate's last contact with the vehicle was two to three weeks prior to this date. SA Scheiderer escorted Slate to the vehicle and after inspecting it, Slate stated the crack in the windshield was new damage, but the damage to the rear cargo area window was old. Slate signed a Consent to Search form allowing agents access to his vehicle to inspect it for evidence of being struck by bullets.

SA Scheiderer and SA Shane Hanshaw conducted an interior examination of the vehicle and weren't able to locate any evidence that the vehicle had been struck by gunfire. SA Scheiderer asked SA Aja Chung to photograph the vehicle to document the damage. No further action is required reference this vehicle.
