APPROVAL, CONTRACT BETWEEN STATE OF OHIO AND THE CARLE ELECTRIC CONSTRUCTION COMPANY, AKRON, OHIO, FOR TUNNEL LIGHTING AND ELECTRIC WIRING, EXTENSION OF TUNNELS, KENT STATE NORMAL SCHOOL, KENT, OHIO, AT AN EXPENDITURE OF \$2,250.00—SURETY BOND EXECUTED BY THE HARTFORD ACCIDENT AND INDEMNITY COMPANY.

COLUMBUS, OHIO, September 22, 1928.

HON. RICHARD T. WISDA, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval a contract between the State of Ohio, acting by the Department of Public Works for the Board of Trustees, Kent State Normal School, and The Carle Electric Construction Company, of Akron, Ohio. This contract covers the construction and completion of Contract for Tunnel Lighting and Electric Wiring, Extension of Tunnels, Kent State Normal School, Kent, Ohio, and calls for an expenditure of two thousand two hundred and fifty dollars (\$2,250.00).

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. You have also furnished evidence to the effect that the consent and approval of the Controlling Board to the expenditure has been obtained as

required by Section 12 of House Bill No. 502 of the 87th General Assembly. In addition you have submitted a contract bond upon which the Hartford Accident and Indemnity Company appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law and the contract duly awarded. Also it appears that the laws relating to the status of surety companies have been complied with. No industrial certificate has been furnished as required by Section 2319, General Code, but you inform me that the reason for failure to furnish such certificate lies in the fact that the contractor has just been billed for the industrial premium for the current period and that payment of the same may be expected within the next few days. This approval opinion is therefore conditioned upon your procuring the required industrial certificate before the contractor enters into the execution of the contract.

Finding said contract and bond in proper legal form, except as above noted, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
 EDWARD C. TURNER,
Attorney General.
