Officer Involved Critical Incident - 1822 Sherrick Road SE,
Canton, OH 44707

Investigative Activity: Review of Officer Camden Burch's Personnel File, Training Records, and OPOTA Records

Involves: Canton Police Officer Camden Burch (S)

Activity Date: 05/08/2024

Activity Location: BCI, 4055 Highlander Parkway, Richfield, OH 44286

Authoring Agent: Special Agent Nicholas Valente #139

Narrative:

On April 24, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Jon Lieber received the Office of Professional Standards file and training records for Officer Camden Burch (Officer Burch) from Canton Police Lieutenant Mike Talkington. SA Nick Valente reviewed the Office of Professional Standards file and training records and noted the following:

Office of Professional Standards File:

Officer Burch's Office of Professional Standards file consisted of an investigative record related to the use of force, policy violations, and a citizen complaint. Note the inclusion of these various records is not in and of itself indicative of wrongdoing or policy violations by Officer Burch.

The single review of a use of force situation contained in the file pertained to the display of firearms by multiple officers while attempting to convince a subject to surrender. The record was unclear whether Officer Burch was among the officers who displayed a firearm or not during the event. In either case, the actions of all involved officers, including Officer Burch, were found to be within policy. The following snippet is taken from the document noting the disposition of the matter as "Followed Policy."

Status/assignment information:

Status: Completed

Opened: Assigned: Due: 02/11/2024 Completed: 01/08/2024

Disposition: Followed Policy

2024-1218

Officer Involved Critical Incident - 1822 Sherrick Road SE,
Canton, OH 44707

The citizen complaint filed against Officer Burch for his demeanor and attitude while he investigated a parking infraction was investigated by a supervisor and determined to be unfounded. The following snippet noted the disposition of that investigation.

Status/assignment information:

Status: Completed

Opened: 03/19/2024 Assigned: Due: 04/29/2024 Completed: 03/19/2024

Disposition: Unfounded

A policy violation contained in Officer Burch's file pertained to a delay in activating his body-camera while attempting to stop a speeding vehicle. The investigator of that matter concluded, "Officer Burch's delay appeared to be minor and not an intentional breach of policy." The disposition of the investigation also noted Officer Burch "Followed Policy" as is shown in the snippet below.

Status/assignment information:

Status: Completed

Opened: Assigned: Due: 03/30/2024 Completed: 03/18/2024

Disposition: Followed Policy

The remaining two policy violations both relate to Officer Burch not following proper policy and procedures related to missing work and calling off work.

Summary:

Captain Marino alleges that on Saturday, August 12, 2023, Cadet Burch failed to report for duty. He allegedly advised Lt. Pellegrino that he was involved in a car crash in Illinois while driving a rental car. He also advised that he failed to call in one hour prior to his assigned shift because he did not have the police department's phone number. Lt. Pellegrino advised Cadet Burch to bring in an accident report to verify his account, but he has not submitted it.

On September 23, 2023, Cadet Burch failed to report for duty on time and advised Sgt. Lee that he assumed he had the weekend off after working in C.I.U.

9-29-23

On 9-29-23, OPS received a Form 75 submitted by Captain Marino. A complaint was made that Cadet Burch failed to report for duty on two separate occasions. The complaint further alleges on one occasion, Cadet Burch claimed to have been involved in an accident in a rental car while in Illinois. Cadet Burch was advised to bring a copy of the accident report to verify his account, but did not submit it.

10-6-23

On 10-6-23 at 09:06 hours, OPS conducted an interview with Cadet Burch in the presence of CPPA Representative Robert Flaherty. Burch read the Garrity Warning and signed that he understood it. Also present during the interview was Lt. Nolte. Burch stated that he still a cadet in the Field Training Officer (FTO) Program. Burch acknowledged that he received a copy of his training schedule and rotation to the different shifts and bureaus. Burch was given a copy of the training schedule and stated it appeared accurate. Burch stated that on 8-11-23, he was in Illinois for his step-father's funeral. On 8-11-23 at 21:01, Burch sent an email to Lt. Pellegrino, his midnight shift commander. The email stated that his rental vehicle had been involved in an accident while in Illinois and was not drivable. The email indicated that he was supposed to report for duty the following evening, on 8-12-23, but was not sure if he would be able to make it back in time. Burch acknowledged that he sent that email to Lt. Pellegrino.

Burch stated that his step-father had rented him the vehicle so that he could drive separately from his family and stay longer in Illinois if needed. Burch stated that the rental vehicle was sideswiped in a Target Parking Lot on Friday, 8-11-23. The front tire was said to have been damaged, making the car not drivable. Burch stated that he then contacted the rental car company and they sent a representative to the scene. Burch stated the rental car company was "Kayak." However, Kayak is not an actual rental car company. Kayak is a website that will find various prices for different rental car agencies. Burch stated that he did not pick the vehicle up and did not know the rental

agency. Burch stated that police were not contacted for a traffic crash report. Burch stated this occurred in Effingham, Illinois.

Burch did not report for duty as scheduled on 8-12-23 at 22:30. Burch did not notify supervision by phone call that he would not be at work, but only by the email sent to Lt. Pellegrino the previous evening. Burch stated that the policy for reporting off had not been explained to him. Burch stated that he did not know the phone number for the police department, but clarified he meant the phone number to call a shift supervisor directly. Burch did then speak to Lt. Pellegrino on 8-12-23 by phone. Lt. Pellegrino advised Burch of the call off policy and to bring a copy of the report when he returned to work. Burch advised that he would be using a "comp day" for his absence. Burch was also advised via email by Sgt. Rastetter on 8-11-23 to bring a copy of the report number from his accident. Burch stated that due to his step-father renting the vehicle and no crash report being taken by police, he has been unable to produce any documentation to verify his claim. Burch stated he contacted Kayak and was provided a claim number, but no written report due to not having his step-father's "pin" number. Burch's step father's name is "Ettore Scassa."

On 9/23/23, Burch was assigned to day shift. Burch did not report for duty at his assigned time and had to be contacted by phone. Sgt. Lee and FTO Machamer both attempted to call Burch, but the calls went to voicemail. Burch eventually called Sgt. Lee back and stated he was in Carrolton, but would be on his way to work. Burch stated that he got confused concerning what his days off were for the week because he had just come from a bureau and had Saturday/Sunday off the week prior. The schedule that Burch was provided accurately reflected that from 9/23/23 – 10/20/23 he was to be off Wednesday/Thursday, not Saturday/Sunday.

On 11/30/23 at approx. 0100 I was working as the 1st Shift Road Sergeant, when I responded to 904 5th St SW, for a barricaded Agg. Burglary suspect. Aforementioned officers did display their weapons while providing perimeter security, and when attempts were made to gain surrender of the suspect Brian Shackleford Jr. My report is based on personal observations while at the scene for the entire stand-off, and I find no pertinent discrepancies regarding Ofc. Rosen's reporting of the incident and my own observations. No Lexipol/CPD policies were violated, and I recommend no further review.

While patrolling on the above date, I received a dispatch for a welfare check. Call notes stated that the callers boyfriend kicked in her door somewhere in summit county earlier in the day and took their son. The caller stated she wanted to preform a welfare check due him possibly having mental issues and having a gun. Cancom also advised Quentin had two warrants, one of them being a drug trafficking warrant with full extradition.

Ptl Schilling and I arrived on scene and I made contact with the boyfriend, Quentin Stokes. Quentin did not open the door but stuck his head through a glass panel that was broken out prior to our arrival. Quentin had blood on his hand likely from punching out the glass. When Quentin first came to the window, I saw a juvenile male standing beneath him before Quentin walked him back into the residence. Quentin returned to the window and began yelling at me to leave his property unless I had a warrant to enter his home. Two pitbulls were also standing next to Quentin during the conversation. I informed Quentin that we had been sent to check on himself and his son, Kaine but he

stated multiple times he was fine and he did not need us. Quentin continued to get more irate with the conversation. I asked Quentin if Kaine was inside with him to which Quentin stated "do not worry about it." Eventually I told Quentin I already saw Kaine when I first arrived and Officers just wanted to make sure Kaine was okay. Quentin stated not to worry about Kaine and to leave the property.

More units arrived on scene and began speaking with Quentin. Sgt Daniel advised Quentin he had a felony warrant and the officers on scene were not going to leave. Sgt Daniel further advised Quentin to come outside to make everything easier. Quentin was also advised by multiple Officers that if he did not exit his residence, he would be charged with obstruction. Quentin stated officers were going to have to come inside his home to get him. Sgt Daniel then asked Quentin multiple times to at least release Kaine outside so he could be safe. Quentin refused and stated Kaine was going to stay inside. Quentin's mother and girlfriend arrived on scene. Quentin was then again asked to release Kaine to his mother or girlfriend for his safety but again refused. Sgt Daniel advised that SWAT was activated and to lock the streets down and maintain a perimeter. Officers on scene shut down the north and south ends of Yale Ave.

Quentin eventually released Kaine to Officer Marks, and Kaine was given to his mother. Officer Schoenengge and I went to the back of the residence to hold perimeter and wait for SWAT. Commands were given to Quentin to come out multiple times. SWAT made entry and arrested Quentin. During the arrest, Quentin fought officers and attempted to kick Captain Marino. Quentin was then placed in unit 49 and was brought to county and booked on his charges.

Summary:

On 2/14/2024, While parked on the roadway of 7th St SW, observed a grey Dodge Ram fail to stop at the stop sign at 7th St and Smith Ave SW and continued southbound on Smith Ave at a high rate of speed. Myself and Car #85, Ptl. Burch, turned on to Smith Ave and turned on our emergency lights and started traveling south on Smith Ave. Ptl. Burch took the lead as I followed behind him. We followed the vehicle south on Smith Ave down to 1009 Smith Ave SW where the vehicle then made a sharp right turn into the driveway behind the residence. Ptl. Burch stopped his vehicle at the start of the driveway and then continued down the road and made a U-turn to get a better view of the vehicle. I followed and Ptl. Burch turned on his spot light and pointed it at the vehicle in the drive way. We called out our location and stepped out of our cruisers and went towards the vehicle. When we got closer to the vehicle we noticed no one was inside and informed dispatch the plate on the vehicle and that the driver had ditched the vehicle.

OPS reviewed the Body-Worn Camera video from Officer B. Schoennegge and Officer C. Burch in reference to this incident. OPS was also able to review the in-car video from Cruiser 81. It was apparent that no attempt was made to pursue the suspect vehicle after it fled from officers. Neither officer activated their cruiser's sirens, but they were also no longer attempting to traffic stop the suspect vehicle or driving outside normal conditions. Captain Marino was made aware that Officer Burch delayed several minutes in activating his body camera from when he initially attempted to traffic stop the suspect vehicle. However, Officer Burch's actions were captured by Officer Schoennegge body camera and cruiser camera. Officer Burch was not interacting with a member of the public. Officer Burch's delay appeared to be minor and not an intentional breach of policy.
