Officer Involved Critical Incident – I-75 NB / Mile Marker 14,
Evendale, Ohio (Hamilton County) (L)

Investigative Activity: Records Received, Video Review, Review of Records
Date of Activity: 03/19/2025
Activity Location: Ohio Bureau of Criminal Investigation – 1560 SR 56 SW, London, OH 43140
Author: SA Steven Seitzman

Narrative:

On Wednesday, March 19, 2025, Ohio Bureau of Criminal Investigation (BCI) Special Agent Steven Seitzman received body-worn camera footage and radio traffic from West Chester Township Police Captain Seth Hagaman. The footage and radio traffic pertained to a vehicle pursuit that was initiated in West Chester Township on the same date at approximately 0226 hours.

SA Seitzman reviewed the radio traffic and noted the following:

A West Chester Township police officer attempted a traffic stop on a blue Hyundai bearing Ohio registration JGD3144. The officer said the vehicle was flagged as stolen. Another officer joined the pursuit, which traveled through the southwest portion of the township. The vehicle proceeded onto Interstate Route 275 West. The vehicle exited onto State Route 4, then Interstate Route 275 East. The vehicle exited onto Mostellar Road, where a West Chester Township police sergeant instructed the officers to terminate the pursuit due to excessive speeds. After the West Chester Township officers terminated, an officer advised that a Hamilton County police officer (Sharonville Police Department) began pursuing the vehicle.

SA Seitzman reviewed the body-worn camera footage and did not identify anything noteworthy.

On Friday, March 28, 2025, Captain Hagaman sent the associated incident report to SA Seitzman, which was attached to this investigative report. Also attached is the West Chester Township Communications radio traffic of the pursuit.

The body-worn camera footage was labeled and stored on Axon Evidence.com under case ID 2025-0883.

On Wednesday, April 2, 2025, Captain Hagaman provided SA Seitzman with the related West

Initial

Initial Narrative By Andrew Oeters, 03/19/25 03:24

On 03/19/25 at 0223 hours, I received a Flock notification of a stolen blue Hyundai Elantra bearing (OH JGD3144) that hit in the area of Union Centre Blvd. and Muhlhauser Rd.

At this time, I was on routine patrol in my marked patrol cruiser in the area of Muhlhauser Rd. and International Blvd. traveling eastbound. At approximately 0224 hours, I observed a blue Hyundai traveling westbound on Muhlhauser Rd. As I was attempting to catch up to the vehicle, it began speeding up and traveling in between the two eastbound lanes. At this time, I was able to confirm the vehicle's license plate matched the stolen vehicle Flock hit. I notified dispatch of my traffic stop as we were approaching westbound Muhlhauser Rd. and SR-747. Right before I initiated the overhead lights of my marked patrol cruiser signaling a traffic stop, the vehicle ran the red light at the intersection of Muhlhauser Rd. and SR-747.

At this time, I notified dispatch that the vehicle was taking off southbound SR-747. I activated my BWC and emergency sirens. As we approached SR-747 and Provident Dr. there was light traffic, speeds were approximately 80 mph. P.O. Fuller entered the pursuit and took over communications. The vehicle continued southbound on SR-747 and entered

275 westbound. It should be noted that at the traffic light to enter onto the 275 westbound entrance ramp the vehicle ran another red light. While on 275 westbound, speeds were approximately 90 mph with light traffic. We continued 275 westbound until the vehicle slowed down to 50 mph and exited the highway at Route 4. The vehicle exited 275 and continued southbound on Route 4. They began to slow down and made a U-turn to enter back onto 275 eastbound from Route 4. While pursuing the vehicle on 275 eastbound, speeds reached approximately 110 mph. The vehicle exited 275 eastbound at the Mosteller Rd. exit and ran another red light. We continued to pursue on Mosteller Rd. passing East Kemper Rd. Speeds were approximately 100 mph.

At this time, Sgt. Parrett terminated the pursuit due to speeds being 100 mph. The pursuit was terminated just south of East Kemper Rd.

After terminating the pursuit, Sharonville PD reinitiated the pursuit at Mosteller Rd. and East Sharon Rd.

It should be noted that during the pursuit traffic was light to none, the roadway was lit, speeds reached approximately 110 mph, and no adverse weather conditions.

Dispatch advised that units in Hamilton County were tracking the suspects from the vehicle after they bailed out of the vehicle. Dispatch provided me with P.O. Schramm from Evandale PD's public service.

At 0300 hours, I public serviced P.O. Schramm from extension 2014. He advised that they had one suspect in custody. The suspect was identified as [REDACTED] P.O. Schramm advised that Charles stated he was just a passenger in the vehicle. I requested P.O. Schramm to public service me if they get any of the other suspects in custody. It should be noted that the vehicle crashed into a guard rail at South Evendale Dr. and Glendale Milford before the suspects bailed out on foot.

I believe there were at least 3 occupants in the vehicle because I could see a head in the rear window. However, I was not able to see who was driving.

I request this case back for follow-up to make contact with Charles and try to identify who was driving the vehicle.

Supporting Narrative By Logan Fuller, 03/19/25 03:36

On March 19th, 2025 at 0223 hours FLOCK alerted to a stolen blue 2018 Hyundai Elentra with Ohio registration JGD3144 south bound on Muhlhauser Road at Union Centre Blvd.

I was traveling north bound on SR 747 near Peter Place when Officer Oeters initiated a traffic stop on the stolen vehicle at Muhlhauser and SR 747 at 0225 hours. The vehicle immediately fled south bound on SR 747 from Muhlhauser Road at a high rate speed. I entered the pursuit south bound SR 747/Peter place as the secondary unit and took over communications.

Officer Oeters and I both had our overhead emergency lights and sirens activated. My BWC was activated as well. The pursuit continued south bound on SR 747 at roughly 100 MPH. The vehicle then ran the red light at SR 747 and 275 West with no traffic present. The pursuit then continued onto 275 West. Traffic was light and speeds were roughly 90 MPH on 275 West. The vehicle then took the route 4 exit from 275 west and continued south bound on route 4. The vehicle then made a U- Turn at south bound route 4 and 275 East and entered 275 East from route 4. The pursuit then continued on 275 east with light traffic. Speeds varied between 100-110 MPH. The vehicle then took the Mosteller Road exit from 275 East. At the bottom of the exit ramp, the vehicle ran the red light at Mosteller Road and the 275 East exit ramp with no traffic present. The pursuit continued south bound on Mosteller Road. The pursuit was then terminated south bound on Mosteller Road just south of Kemper Road due to speeds being over 100 MPH.

A short time later, Hamilton County units got into pursuit with the vehicle. Please refer to officer Oeters narrative for details of his communications with Lockland PD.

There were no adverse weather conditions during the pursuit with lighted roadways.

This concludes my involvement in this case.

Supporting Narrative By Andrew Oeters, 04/01/25 05:06

On 03/31/25, I contacted Evendale PD to see if they had apprehended any of the other occupants of the vehicle.

However, the Officer I spoke to was not able to see that information. She informed me that Det. Trame had been assigned the case. She provided me with his email address.

On 04/01/25, I contacted Det. Trame to see if they had any suspect information.

I request this case back for follow-up.

Initial Report By Andrew Oeters, 03/19/25 03:24

Case #2025001104

Typed By Andrew Oeters

On 03/19/25 at 0223 hours, I received a Flock notification of a stolen blue Hyundai Elantra bearing (OH JGD3144) that hit in the area of Union Centre Blvd. and Muhlhauser Rd.

At this time, I was on routine patrol in my marked patrol cruiser in the area of Muhlhauser Rd. and International Blvd. traveling eastbound. At approximately 0224 hours, I observed a blue Hyundai traveling westbound on Muhlhauser Rd. As I was attempting to catch up to the vehicle, it began speeding up and traveling in between the two eastbound lanes. At this time, I was able to confirm the vehicle's license plate matched the stolen vehicle Flock hit. I notified dispatch of my traffic stop as we were approaching westbound Muhlhauser Rd. and SR-747. Right before I initiated the overhead lights of my marked patrol cruiser signaling a traffic stop, the vehicle ran the red light at the intersection of Muhlhauser Rd. and SR-747.

At this time, I notified dispatch that the vehicle was taking off southbound SR-747. I activated my BWC and emergency sirens. As we approached SR-747 and Provident Dr. there was light traffic, speeds were approximately 80 mph. P.O. Fuller entered the pursuit and took over communications. The vehicle continued southbound on SR-747 and entered 275 westbound. It should be noted that at the traffic light to enter onto the 275 westbound entrance ramp the vehicle ran another red light. While on 275 westbound, speeds were approximately 90 mph with light traffic. We continued 275 westbound until the vehicle slowed down to 50 mph and exited the highway at Route 4. The vehicle exited 275 and continued southbound on Route 4. They began to slow down and made a U-turn to enter back onto 275 eastbound from Route 4. While pursuing the vehicle on 275 eastbound, speeds reached approximately 110 mph. The vehicle exited 275 eastbound at the Mosteller Rd. exit and ran another red light. We continued to pursue on Mosteller Rd. passing East Kemper Rd. Speeds were approximately 100 mph.

At this time, Sgt. Parrett terminated the pursuit due to speeds being 100 mph. The pursuit was terminated just south of East Kemper Rd.

After terminating the pursuit, Sharonville PD reinitiated the pursuit at Mosteller Rd. and East Sharon Rd.

It should be noted that during the pursuit traffic was light to none, the roadway was lit, speeds reached approximately 110 mph, and no adverse weather conditions.

Dispatch advised that units in Hamilton County were tracking the suspects from the vehicle after they bailed out of the vehicle. Dispatch provided me with P.O. Schramm from Evandale PD's public service.

At 0300 hours, I public serviced P.O. Schramm from extension 2014. He advised that they had one suspect in custody. The suspect was identified as [REDACTED] P.O. Schramm advised that Charles stated he was just a passenger in the vehicle. I requested P.O. Schramm to public service me if they get any of the other suspects in custody. It should be noted that the vehicle crashed into a guard rail at South Evendale Dr. and Glendale Milford before the suspects bailed out on foot.

I believe there were at least 3 occupants in the vehicle because I could see a head in the rear window. However, I was not able to see who was driving.

I request this case back for follow-up to make contact with Charles and try to identify who was driving the vehicle.

Case #2025001104

Typed By Logan Fuller

On March 19th, 2025 at 0223 hours FLOCK alerted to a stolen blue 2018 Hyundai Elentra with Ohio registration JGD3144 south bound on Muhlhauser Road at Union Centre Blvd.

I was traveling north bound on SR 747 near Peter Place when Officer Oeters initiated a traffic stop on the stolen vehicle at Muhlhauser and SR 747 at 0225 hours. The vehicle immediately fled south bound on SR 747 from Muhlhauser Road at a high rate speed. I entered the pursuit south bound SR 747/Peter place as the secondary unit and took over communications.

Officer Oeters and I both had our overhead emergency lights and sirens activated. My BWC was activated as well. The pursuit continued south bound on SR 747 at roughly 100 MPH. The vehicle then ran the red light at SR 747 and 275 West with no traffic present. The pursuit then continued onto 275 West. Traffic was light and speeds were roughly 90 MPH on 275 West. The vehicle then took the route 4 exit from 275 west and continued south bound on route 4. The vehicle then made a U- Turn at south bound route 4 and 275 East and entered 275 East from route 4. The pursuit then continued on 275 east with light traffic. Speeds varied between 100-110 MPH. The vehicle then took the Mosteller Road exit from 275 East. At the bottom of the exit ramp, the vehicle ran the red light at Mosteller Road and the 275 East exit ramp with no traffic present. The pursuit continued south bound on Mosteller Road. The pursuit was then terminated south bound on Mosteller Road just south of Kemper Road due to speeds being over 100 MPH.

A short time later, Hamilton County units got into pursuit with the vehicle. Please refer to officer Oeters narrative for details of his communications with Lockland PD.

There were no adverse weather conditions during the pursuit with lighted roadways.

This concludes my involvement in this case.

Incident Review Form

Report #: 2025001104

Date: March 27, 2025

Incident Type: Pursuit

Completed By: Lt. C. Whitton #119

- ☐ The Integrity and Development Section does not have any comments or recommendations for this incident.
- ☒ The Integrity and Development Section has the following below comments or recommendations for this incident.
- ☐ The Integrity and Development Section has formally reviewed this incident. See below:

This pursuit was discussed in the command staff meeting about supervisors coming over the radio as soon as practical to let officers know they are aware and in charge of the pursuit. This issue was already addressed with the OIC of this pursuit by Captain Lovell.

Was the suspect apprehended?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Flock camera hit?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No

Explain any "Yes" answers here to include any use of spikes:

On 3-19-25 at 0225 hours Officer Oeters received a FLOCK alert on a 2018 blue Hyundai Elantra bearing Ohio JGD3144 that was entered stolen out of Cincinnati Police Department. The vehicle alerted on FLOCK cameras in the area of Union Center Blvd. at Muhlhauser Rd. Officer Oeters was on patrol in the area of Muhlhauser Rd. near International Blvd. and located the vehicle on Muhlhauser Rd. east of SR-747. Officer Oeters initiated a traffic stop by activating his overhead lights on Muhlhauser at SR-747. The vehicle failed to comply with Officer Oeters' overhead lights, ran the red light at the intersection, and turned south on SR-747. The vehicle began traveling south bound on SR-747 at a high rate of speed. Officer Oeters activated his sirens along with his overhead lights and advised he was in pursuit of the vehicle. Officer Fuller was

West Chester Police Department Vehicle Pursuit Report Form

following behind and advised he had entered the pursuit and began taking over radio traffic.

The vehicle proceeded south bound on SR-747 approaching E. Crescentville Rd. traveling at approximately 100 mph. Officer Fuller advised traffic density was light and road conditions were dry. The vehicle slowed in speed to approximately 50 mph and entered the I-275 west bound ramp. The vehicle proceeded west bound on I-275 traveling at approximately 90 mph. The vehicle entered the exit ramp to Rt. 4, made a left turn onto south Rt. 4. The vehicle performed a U-turn on Rt. 4 near the east bound ramp to I-275. The vehicle entered the east bound ramp to I-275 and began traveling east bound on I-275 traveling at approximately 105 mph. The vehicle slowed in speed to approximately 50 mph as it approached the Mosteller Rd. exit. The vehicle entered the Mosteller Rd. exit, ran a red light, making a left turn onto Mosteller Rd. The vehicle proceeded south bound on Mosteller Rd. reaching speeds of 100 mph. The pursuit was terminated on Mosteller Rd. north of East Sharon Rd. due to excessive speed. Several seconds later, Sharonville Police Department picked up the pursuit at the intersection of Mosteller Rd. and East Sharon Rd.

In summary, the pursuit traveled approximately 6.68 miles (per Google Maps) through West Chester, outside the Township, and lasted approximately five minutes. Traffic density was light and road conditions were dry. The pursuit ended after it was terminated by Sgt. Parrett for excessive speed on Mosteller Rd. north of East Sharon Rd. Officer Oeters was the primary unit in the pursuit, Officer Fuller was the secondary unit, and Sgt. Parrett was the OIC. I have reviewed the BWC footage and it is consistent with Officer Oeters statements. The pursuit appears to be in compliance with the West Chester Police Department's Pursuit Policy 306.

Supervisor's Signature: Sgt. D. Parrett Badge # 256
