Officer Involved Critical Incident – 6042 Huntley Rd, Columbus,
OH

Investigative Activity: Interview with Witness
Involves: Oliver Byamungu Donatien (W)
Date of Activity: 02/07/2024
Author: SA Ryan D. Scheiderer, #89

Narrative:

On February 07, 2024 at approximately 1739 hours, Ohio Bureau of Criminal Identification and Investigation (BCI) Special Agent Ryan Scheiderer (SA Scheiderer) obtained a recorded statement from Oliver Donatien (Donatien) regarding the February 7th officer involved shooting incident he witnessed involving Columbus Division of Police (CPD) [REDACTED] and Holly Graham (Graham) that occurred in the area of 6042 Huntley Road in Columbus, Ohio. Graham was shot by [REDACTED] during that incident while officers were attempting to stop her while driving a stolen vehicle. The following is a summation of the contact with Donatien and additional details can be found in the attached audio recording.

Donatien was located in CPD Cruiser 182 when SA Scheiderer made contact with him. After introductions, SA Scheiderer asked Donatien to explain what he witnessed. Donatien stated he was sitting in his vehicle (silver Toyota Camry) in the parking lot Huntley Square and at approximately 1607–1615 hours, he observed a blue car reversing from the “corner” (southwest corner) of the building towards the front of the building. The blue car stopped and a police officer on foot approached the vehicle from the front. Donatien heard the officer yelling “Stop... Stop... Stop” at the driver of the blue car. Donatien then observed the blue car accelerate towards the officer and strike him in the legs causing the officer to “fly” onto the hood of the car. The officer remained on top of the blue car while it accelerated south towards E. Dublin Granville Road (State Route 161). Donatien heard 3–5 gunshots while the blue vehicle was traveling towards State Route 161. Donatien did not observe who fired the shots, but confirmed the officer was still on top of the blue car when he heard the gunshots. When the blue car got onto State Route 161 it turned east and the officer was thrown to the ground. The blue car then drove away east towards Interstate 71. Donatien confirmed the officer struck by the blue car was in uniform and easily recognizable as a police officer and other police officers and cruisers were present during the incident. Donatien never saw the driver of the blue car. Donatien didn’t have any additional information regarding the incident.
