Perrysburg Twp. PD            1-24-085297-001            Rifle Mag            Found Property

The item of evidence was taken to the vehicle examination bay. The table surface was sterilized by CST E. Miller and covered with new, clean Kraft paper. The magazine did not have any markings to indicate a manufacturer, model or caliber.

The follower and floor plate retainer of the magazine was orange. The magazine had distinct manufacturers screws along the edge. A search of the internet found a similar magazine in shape, color and manufacturing assembly. That magazine was a CMMG, 10 round, 22LR magazine. Other possibilities exist.

The magazine was returned to its original packaging, sealed and returned to evidence receiving
