**Narrative:**

On May 24, 2022, at 1047 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent Steven Seitzman (SA Seitzman) interviewed William Jake Harkleroad (Mr. Harkleroad) regarding information he had as a witness to the Officer-Involved Critical Incident that occurred on May 20, 2022, involving the Miami Township Police Department (MTPD). On May 20, 2022, MTPD Sergeant Josh Bail informed SA Seitzman that Mr. Harkleroad witnessed a portion of the Officer-Involved Critical Incident and provided a written statement to MTPD. SA Seitzman was further informed that Mr. Harkleroad is an employee of Harky's Motorsports, which is located on the north side of SR-28 Business across the street from the Berry Lane Apartments. The parking lot of the Berry Lane Apartments was the location of the Officer-Involved Critical Incident.

The interview was recorded on a handheld digital recording device. The details below summarize the pertinent portions of the recorded interview and are not a verbatim account. Further, this report was placed in a chronology to aid the reader's overall understanding of the information elicited during the interview and may not be reflective of the actual sequencing of questions. It is suggested that the full audio recording be reviewed to clarify the content of the interview.

Mr. Harkleroad advised SA Seitzman of the following information:

Mr. Harkleroad was in the garage when he heard three or four sounds, which he initially thought were firecrackers or the backfiring of a car. Approximately five to ten minutes later, police cruisers arrived at the apartment complex across the street. He heard one or two more shots after the officers arrived. He described those shots as "faint and distant." He remembered hearing the officers yelling, but he was not able to hear what they were saying. He looked up and observed the officers taking cover behind their doors. He then went inside the store to take cover. While inside the store, he heard more gunfire. He said the last volley of gunfire he heard

was louder, which he assumed was from law enforcement. He estimated he heard five of the louder "pops."

Mr. Harkleroad advised that he saw glass shattered on the floor inside the business when he first went inside to take cover. After the gunfire stopped, he looked around the shop and saw a hole in one of the front windows.

The interview was concluded at 1056 hours. The audio recording is attached below. Also attached is the written statement Mr. Harkleroad provided to MTPD.

I was in the garage at harry's Motorsports  
 when I heard 3 or 4 gun shots 5 to ten minutes  
 before COP cars started pulling up to the apartment  
 building across the street and the gun shots  
 were louder and closer together so I ran  
 into the showroom to take cover when the  
 glass got shot out in the front of the building  
 so we all hid around the corner until the  
 gun shots stopped and I called 911 to  
 report the glass
