## Erik Taylor Obituary

George "Erik" Taylor, a beloved husband, father, brother, uncle, military hero and veteran, passed away on June 16, 2024, at the age of 48. Born in Sidney, OH, on February 13, 1976 to Linda and the late George Joseph Taylor, and married Jessica (Smith) Taylor on October 13, 2023. He attended Bowling Green High School before bravely joining the Marines, where he served for 7 years.

After his time in the Marines, Erik joined Homeland Security: US Coast Guard where he completed three tours in Afghanistan, clocking a total of 16 additional years of service and retiring with a well-deserved bronze star and numerous other awards.

In the realm of civilian life, Erik found enjoyment in life's simple pleasures. He loved nothing more than riding his motorcycle, a friendly game of cornhole, or testing his precision curling. But above all else, his greatest joy came from spending time with his family.

Erik is survived by his mother, Linda; wife, Jessica; daughters: Abigail and Alyson; step-sons: Xavier and Easton; sisters: Sheila Long, Dawn (John) Phillips, Laura Taylor, and twin sister Jennifer (Howie) Wheeler; nieces: Brook, Ashleigh, Taylor; nephews: Nolan, Zachary, Brody; and good friends: Andy Long and Matt Patton.

Visitation for Erik will be held on Friday, June 21, 2024 from 12:00 pm until the time of his celebration of life service at 2:00 pm at Deck-Hanneman Funeral Home, 1460 W. Wooster Street, Bowling Green.

Erik was preceded in death by his father, George Taylor; and nephew Wyatt.

Contributions in his honor may be gifted to the family c/o Deck-Hanneman Funeral Home.

I met Erik when my husband at the time was stationed in Emerald Isle, NC. He was at our house on many occasions. He was such a good person and a good friend to our family. He always lent a helping hand if needed, would even go out of his way. He had such a very good, kind, loving heart. I was so sad to hear of his passing. He will be missed sorely. Rest easy, Erik.

I was his roommate and became good friends for 6 weeks he was going to PDT to PATFOR while I was coming back from back from Patfor in 2010 Yorktown. Helped each other trough a rough spots in our lives, enjoyed every moment. I'm deeply sad, because he lived his life and loved his family.

My meeting Geo was very brief, but in those few moments we shared the same space, his light and love poured from him. I could see the love between him and his wife. It was something I knew right away I wanted for myself. It is heart shattering he wasn't able to overcome the pain caused by his selfless act of being a protector. My very deepest condolences to all family and friends. Hopefully you allow me and the many others who loved him carry some of your burden.

I served with Erik on CGC ELM, which was my first unit in the Coast Guard. I was fortunate to work alongside and learn from him, who was widely considered an expert on our engineering systems. He, Anthony S, and I went to law enforcement school together in Petaluma. He was always a blast to be around, and wasn't afraid to go the extra mile when duty called. Many of us are extremely saddened by his passing, but I know we've all got a number of fond memories of the port calls, days hanging out on duty, the blood and sweat of working looong days out at sea, and all the get-togethers outside of work. Erik will be missed, but his impact on me and a number of others will live on.

It is with a broken heart I learned of Erik's passing. He had a special place in our family's heart. Erik and my son were best friends in high school and this friendship continued to this day. I hope he has found the peace he so richly deserved. He was a very brave and honorable person. Suffering from PTSD is a very miserable thing and if you haven't walked that path please don't judge. Praying for his whole family and also his close friends.
