

Board of Trustees of the Ohio State University, Columbus, Ohio, and E. Elford & Son, of Columbus, Ohio, covering the construction and completion of chemistry building on the campus of the Ohio State University, Columbus, Ohio, and calling for an expenditure of \$208,900.00.

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. There has further been submitted a contract bond upon which the Southern Surety Company appears as surety sufficient to cover the amount of the contract.

You have further submitted evidence indicating that the laws relating to the status of surety companies and workmen's compensation have been complied with. However, there is no showing that plans, details, specifications, bills of material and estimates of cost have been prepared, approved by the Director of Highways and Public Works and filed with the Auditor of State.

Finding said contract and bond in proper legal form except as above indicated, I have made an investigation in the office of the Auditor of State and find that the plans details, specifications, bills of material and estimates of cost bearing the approval of the Director of Highways and Public Works have been filed with the Auditor of State. I am accordingly returning the contract herewith to you with my approval noted thereon, together with all other data submitted in this connection.

HON. GEORGE F. SCHLESINGER, *Director, Department of Highways and Public Works, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval a contract between the Department of Highways and Public Works of the state of Ohio for and on behalf of the Board of Trustees of the Ohio State University, Columbus, Ohio, and The Cleveland Marble Mosaic Company, of Cleveland, Ohio, covering the construction and completion of the Marble, Tile and Terrazzo Work for the Chemistry Building, and calling for an expenditure of \$10,998.00.

APPROVAL, ABSTRACT OF TITLE TO LAND IN AUBURN TOWNSHIP, GEAUGA COUNTY, OHIO, TO BE USED FOR STATE HIGHWAY PURPOSES.

COLUMBUS, OHIO, April 6, 1927.

HON. GEORGE F. SCHLESINGER, *Director of Highways and Public Works, Columbus, Ohio.*

DEAR SIR:—Receipt is acknowledged of your letter under date of April 1, 1927, resubmitting for examination an abstract and warranty deed covering the proposed purchase of real estate for state highway purposes located in Auburn township, Geauga county, Ohio.

The deed and abstract were returned to you because of a defect in the deed in that the acknowledgments did not appear on the same sheet as the signatures of the respective grantors as required by Section 8510, General Code, and in that the abstract did not show that the land of which the tract sought to be purchased is a part, was ever patented by the United States to anyone.

I have examined the deed and abstract as resubmitted and find that they conform to the suggestions made by me in my letter of February 4th. I am therefore of the opinion that the abstract shows a good and merchantable title in Leslie C. Hall, Grace Boone and Walter Boone, A. J. Ledwell, and H. R. Ford, and that the deed submitted is in proper form to convey a fee simple title to the State of Ohio when delivered.

You have not submitted the encumbrance estimate, and I am therefore not passing upon the same.

I am returning the deed and abstract to you herewith.

Respectfully,

EDWARD C. TURNER,
Attorney General.
