

It will be noted, however, that the Attorney General in said opinion reached a different conclusion as to a sanitary policeman. However, without discussing the exception that was made it is my opinion that by analogy the holding in reference to the health officer would be applicable to a superintendent of parks. It will be obvious that the duty of controlling, managing and supervising parks rests upon the park commissioners. A superintendent evidently would assist the board in performance of its duties.

Therefore, in specific answer to your inquiry you are advised that the position of superintendent of parks may be exempted from the classified service on the grounds that such an employe is an assistant within the meaning of sub-section 8 of section 486-8 of the General Code.

Respectfully,  
C. C. CRABBE,  
*Attorney General.*
