A red Chevrolet pickup truck is parked on the left side of the road. The driver-side door is open, and a white plastic bag is resting on the hood. The truck is positioned on a gravel shoulder next to a white line on the asphalt.

A person is lying face down on the asphalt road surface, positioned between the red truck and a motorcycle. The person is wearing dark clothing and appears to be deceased or unconscious.

A red motorcycle is lying on its side on the asphalt road surface, positioned to the right of the person lying on the ground.

Yellow evidence markers are placed on the asphalt road surface. The markers are numbered 11, 12, 13, 14, 15, 16, and 17, indicating the locations of various pieces of evidence.

A white van is parked on the right side of the road, behind the red truck. It has "HIGHWAY PATROL" written on its side. Several officers are standing near the van.

A dark-colored police car with its blue and red emergency lights flashing is parked on the right side of the road, further down the highway.

A dense line of green trees and bushes runs along the left side of the road, forming a natural barrier. The ground in front of the trees is covered in tall green grass.

The horizon line is visible in the distance, showing a line of trees and a clear sky with some light clouds.
