OFFENSE

INCIDENT DATE AND TIME

2/11/22 at 2:11PM I responded to the area of Steeplechase Ln for a distraught male later identified as DUSTIN BOOTH. His wife, BRANDI BOOTH, was the caller and stated Dustin is in a manic state and she is currently following his green GMC pickup on Steeplechase Ln, and Dustin is throwing objects from the vehicle.

I remained stationary at the intersection of Bridle Creek and Steeplechase, activating my overhead lights, and observed the green GMC traveling south towards the intersection.

I exited my patrol car, commanding Dustin to stop. He stated, "No! I'm not stopping. Follow me home!" then continued west then south onto Blue Grass. Booth parked his truck in his driveway at 120 and began walking toward the open garage. Dustin exclaimed that he is not armed. Dustin is a CCW holder and has weapons in his residence according to Brandi.

I commanded Dustin to stop and informed him I just want to talk to him and check on him, that his wife is worried about him. He told me he is cold and I can "talk to him in his office." I returned to my patrol car, apprising other responding officers of this tense, uncertain and rapidly-evolving domestic disturbance.

Officers Worley and Ebbing arrived to assist. We took cover behind my patrol car and I deployed my issued AR15 rifle. I requested Ebbing go to the south side to observe the rear of the residence.

I deployed my service rifle for the protection of the public, fellow officers and myself. I trained this rifle on the residence and Booth when he intermittently appeared for the duration of this incident.

I then briefly spoke to Brandi and she informed me her children are in her vehicle which was parked very close to 120. I instructed her to move the vehicle farther down the street for her and her children's safety.

Additional officers responded and we began calling out to Dustin via the public address system, unable to speak to him directly.

Ultimately officers were recalled from the scene, leaving the area at approximately 5PM. I had no further involvement.
