LEAD WARNING: Discharging firearms in poorly ventilated areas, cleaning firearms, or handling ammunition can expose you to lead and other chemicals known to be toxic if inhaled or swallowed and to cause cancer, birth defects, reproductive harm, damage to the central nervous system and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure. Do not eat, drink or smoke when using this product. If swallowed, rinse mouth and call poison control center.

WARNING: KEEP OUT OF REACH OF CHILDREN. To avoid serious injury: (1) use only ammunition in good condition; (2) use only in modern firearms in good condition, proof tested in accordance with industry standards and marked and chambered for use with this cartridge; (3) ensure barrel is free from obstructions; check barrel in case of light recoil or an unusually loud or weak sound heard during firing; (4) wear eye and ear protection; (5) if gun fails to fire, avoid exposure to breach when unloading and point muzzle in a safe direction; keep firearm pointed in safe direction at all times; (6) discharge may occur if primer is struck; handle with caution, DO NOT DROP; (7) do not shoot at hard surfaces or water to prevent ricochet; (8) store in a cool dry place away from chemicals that contain ammonia; (9) since reloading practices are beyond our control, we disclaim all liability for damage or injury that may result; (10) indoor shooting ranges: do not allow unburned powder from discharging ammunition to accumulate in any cracks or crevices as detonation or fire can occur.
