

Greenhouse Mfg. Company, an Illinois corporation. This contract covers the construction and completion of Greenhouse No. 9 on the campus of the Ohio State University and calls for an expenditure of \$8,450.00.

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. There has further been submitted a contract bond upon which The Globe Indemnity Company appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law and the contract duly awarded. Also it appears that the laws relating to the status of surety companies and the workmen's compensation have been complied with. It further appears that the American Greenhouse Mfg. Co. is qualified to do business in Ohio.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
C. C. CRABBE,
Attorney General.
