HON. CARL G. WAHL, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR: You have submitted for my examination and approval a contract between the State of Ohio, acting by and through the Department of Public Works, for and on behalf of the Board of Trustees of Bowling Green State College, Bowling Green, Ohio, and Thomas D. McGlaughlin and Associates of Lima, Ohio, for architectural services in connection with an addition to the Auditorium at Bowling Green State College, Bowling Green, Ohio, and providing for compensation to the architect in an amount equal to four per cent (4%) of the amount paid out by the Board of Trustees under and on account of contracts entered into by the State for the construction of said improvement.

You have also submitted a certificate showing that a sufficient amount is available of moneys belonging to the college, which moneys are supplemented from the Federal government, for the payment of the architect's fees involved in this contract. Also it appears that the contract has been approved by the Building Committee of the Board of Trustees of Bowling Green State College.

Finding said contract in proper legal form, I have endorsed my approval thereon and return the same to you herewith, together with all other papers submitted in this connection.
