Investigative Activity: Initial Scene Response to 2600 Navarre Ave., Oregon, OH
Involves: Christian Strassburg (S), [REDACTED] (S), Mercy
Health-St. Charles Hospital (O)
Activity Date: 06/06/2026
Activity Location: 2600 Navarre Ave., Oregon, OH 43616
Authoring Agent: SA Douglas A. Burke #162

Narrative:

On Saturday, June 6, 2026, at approximately 1931 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Douglas Burke (Burke) arrived at 2600 Navarre Ave, Oregon, OH 43616, Mercy Health-St. Charles Campus Hospital in reference to an Officer-Involved Critical Incident (OICI). Upon arrival, SA Burke was met by Crime Scene Technician (CST) Emily Miller (Miller) and Crime Scene Special Agent (CSSA) Megan Roberts (Roberts).

CST Miller and CSSA Roberts gave SA Burke an overview of the crime scene located in the parking lot just outside of the Emergency Room Department of Mercy Health-St. Charles Campus Hospital. SA Burke was shown the object the involved-subject, Christina Strassburg (Christian) allegedly had been in possession of during the OICI. The object was a broken fluorescent green ballpoint pen which was broken into three (3) separate pieces. The three (3) pieces of the pen were marked as Crime Scene's Placards #8, #9, and #10.

After observing the scene, SA Burke inquired about observing the body of Christian. However, CST Miller told SA Burke the body had already been removed from the Emergency Room at Mercy Health-St. Charles Hospital by the Lucas County Coroner's Office (LCCO).

SA Burke then spoke with SA Josh Rammel (Rammel) who had made initial contact with the Involved-Officer, [REDACTED] and photographed [REDACTED]. Prior to SA Burke's arrival at the hospital, [REDACTED] had been released to leave after the initial contact and documentation by SA Rammel. Furthermore, SA Rammel and SA Dave Hammond (Hammond) had been speaking with Christian's significant other, Samantha Binkley (Samantha).

Shortly thereafter, SA Burke was introduced to the two (2) witness officers from the OICI, Officer (Ofc.) Brett Bartson (Bartson) and Security Officer (Ofc.) Nicole Stribrny. (Stribrny). SA Burke introduced himself to Ofc. Bartson and Security Ofc. Stribrny and offered them the opportunity to be interviewed. However, Ofc. Bartson and Security Ofc. Stribrny stated that they wished to be represented by counsel.

At that time, SA Burke had been briefed on information obtained from Samantha by SA Rammel and SA Hammond. See SA Hammond's report for information provided by Samantha. Samantha had signed a Consent to Search Form to have her maroon Jeep Laredo, registration plate Indiana 791BSJ, processed by Crime Scene during the time Samantha had been speaking with SA Rammel and SA Hammond.

Later in the initial investigation, SA Burke was introduced to Samantha by SA Rammel. SA Burke explained the investigative process related to the incident to Samantha. Samantha explained that she and Christian were not legally married, but she provided additional family information about Christian, including details about his mother and father.

Samantha then started to explain to the agents that she had contacted Christian's mother, Anne Marie Prieur (Anne Marie), who lives in Florida, regarding Christina experiencing one of his schizophrenic episodes earlier in the day. Anne Marie contacted law enforcement on Samantha's behalf to request a wellness check done for Christian, with the hopes of law enforcement taking Christian to the hospital for evaluation. It should be noted that Samantha thought it would have been Lucas County Sheriff's Office (LCSO) who would have responded. However, because Samantha's address is within the City of Toledo, the responding agency would have been Toledo Police Department (TPD).

TPD could not respond directly to Samantha's house due to the Ole West End mass shooting in Toledo, which had taken place on the same date and timeframe. According to Samantha, Samantha was told to take Christian to the hospital herself due to other incidents TPD had been investigating. Later in the afternoon of Saturday June 6, 2026, Samantha stated she had tried to **"coax"** (6:10) Christian out of the house to go to the hospital. During that time, Samantha had received a call back from TPD asking if Samantha still needed help, but Samantha stated she was fine and did not need any further assistance. Samantha stated Christian could be heard in the background during her phone conversation with TPD, exhibiting what she described as **"manic rambling"** (6:23). According to Samantha, the TPD Dispatcher told Samantha, **"Someone might still stop by"** (6:35). Samanta replied, **"ok"** (6:40).

SA Burke asked Samantha if Samantha knew what time Christian's mother, Anne Marie had called TPD. Samantha stated it was around **"2:37 p.m."** (6:48). Furthermore, Samantha stated she had been sending Anne Maria the contact information for law

enforcement to respond to Samantha's house, due to the mental breakdown Christian had been having at the time.

Samantha had been videoing (FaceTime) Christian's actions, such as talking to himself and other manic actions and sending them to Anne Maria so Anne Maria could see what Samantha had been dealing with involving Christian.

When law enforcement did not respond to Samantha and Christian's house, Samantha decided to get Christian to the hospital by herself to get Christian help. Samantha thought she had arrived at the hospital (Mercy Health-St. Charles, 2600 Navarre Ave.) sometime between 4:10p.m. to 4:15p.m. Samantha had left Christian out of the car at the Emergency Room Department (ER) and then went to park Samantha's car in the parking lot. Apparently to Samantha's recollection, Christian had briefly walked into the ER, then walked out back to the area of where the car was parked and had become further upset because he thought Samantha was dropping him off and leaving him at the hospital on his own. Samantha was adamant that she was simply parking the car and then coming into the hospital with Christian.

At that time, Samantha had questions about the investigation. SA Burke gave Samantha a brief synopsis of how the investigation will proceed and the expected duration of the investigation. Samantha indicated Christian's father lived in Chicago and thought his name to be Michael Phil Strassburg (Michael).

SA Burke asked Samantha if Christian had a cell phone and she said he did have a phone. However, it was Samantha's phone, and she let him use it. Furthermore, Samantha stated the phone was at her house. However, CSU had located a phone while processing the crime scene in the parking lot of the hospital where the OICI had taken place. Once explaining the description of the cellphone to Samantha, she stated that was her cellphone which she allowed Christian to use and did not realize he had the cellphone with him. SA Burke had asked Samantha if she would be willing to sign a Consent to Search for the cellphone so investigators to analyze the cellphone to see if Christian had made any comments leading up to the OICI. Otherwise, investigators would obtain a Search Warrant for the cellphone. Samantha stated she would be willing to sign this form because she really wanted the phone back due to banking reasons.

Samantha also stated Christian had been on Parole and was labeled as a Tier II Sex Offender. That incident would have been from a 2018 case from Auglaize County, OH where Christian had been indicted and convicted of Gross Sexual Imposition (GSI). Furthermore, Christian's Parole Officer would have been an Aleynah Henry (Aleynah). SA Burke will follow up with Aleynah.

SA Burke then obtained a Consent to Search Form for the cellphone Christian had in his possession at the time of the OICI but had been owned and utilized by Samantha. SA Burke explained and read the Consent to Search Form to Samantha. Samantha said she understood and signed the Consent to Search Form without incident. Furthermore, SA Burke explained that Samantha could recant her Consent to Search the cellphone. Samantha said she understood she could recant the search of the cellphone at any point. It should be noted that SA Burke provided Samantha with SA Burke's business and contact information to recant the search of the cellphone at any point.

Samantha had no other relevant information and the interview concluded.

The interview with Samantha had been audio recorded and was placed into Axon Justice/Evidence.com as part of Reference Item B-Interviews with Samantha Binkley.
