On 04/18/2024 I responded to the 1700 BLK of Sherrick Rd SE for a call out with the Canton Metro Crash Team.

Upon arrival, I learned that the crash was a single vehicle, single occupant, collision into a pole in the 1700 BLK of Sherrick Rd. I also learned that the driver, who was later identified as suspect #1, had fled the scene and ran into the AMVETs and caused a disturbance prompting a response from the shift. Deputy Carnahan and Millhorn both completed supplements detailing their involvement on the scene. I learned that suspect #1 was transported to the hospital by EMS where he was pronounced deceased.

INCIDENT - SUPPLEMENTAL NARRATIVE (continuation)

I operated the Nikon Total Station to take measurements of the scene. I also assisted with locating roadway evidence.

While investigating the crash, I was approached by Sgt. Smith with the Canton Police Department. Sgt. Smith advised they were requesting the Stark County Sheriff's Office to assist with the death investigation due to the finality of the incident occurring in our jurisdiction. I contacted Sgt. Manser and advised him of the request. While awaiting a response, I identified all of the occupants of the bar who witnessed the incident. The witnesses not listed in other narratives were included in this report. Speaking with customers in the bar, I learned that Shannon Gallagher is also the point of contact to obtain CCTV footage.

Sgt. Manser advised after speaking with administration, no assistance from our office was being requested on scene and Canton PD would be handling the investigation. At this point, I cleared the scene. My issued body camera was on for the call.

INCIDENT - SUPPLEMENTAL NARRATIVE

I responded to 1822 Sherrick Dr SE (Amvets) for a report of a disturbance reported by a patron at the bar. It was reported to STARCOM a black male wearing a white T-Shirt and Black shorts is yelling in the bar. STARCOM advised there is a call at 1700 Sherrick Dr for Canton Police.

Upon my arrival a Canton Officer was walking out of the Amvets. I asked a male at the door what happened, he advised Canton has a male in custody. I started to ask details of what happened, and someone in the bar said the Canton officer needed help. When I walked in, I observed a black male matching the description from STARCOM lying on the ground in hand restraints.

INCIDENT - SUPPLEMENTAL NARRATIVE (continuation)

The Canton Officer was trying to roll him on his side, and another Canton Officer came inside. I asked the Officer if he was breathing. He advised "he has a heartbeat", and stated he has a squad in route. The Canton Officer was checking for a pulse on his neck, and I advised them to take him out of hand restraints. The Canton Officer advised I don't want him to fight again. I radioed STARCOM and asked if they had a squad in route. They determined he was not breathing at that time. Canton removed him from hand restraints, and I advised them to start CPR. I ran to my cruiser to see if I had an AED, which I did not. One of the Canton Officer advised he may be overdosing. I grabbed my issued NARCAN and ran back inside. I gave the suspect one dose of NARCAN in his right nostril as Canton was doing CPR. The suspect had no response, and I gave him the second dose of NARCAN in his left nostril. Canton Officers and I continued CPR until the Canton FD arrived on scene and took over.

I spoke with the bar manager Shannon Gallagher, she advised the bar is normally locked and you have to be buzzed in. She said someone thought the suspect was picking up a food order and let him in. She advised the suspect came inside sat down and was yelling "let it happen in here". She stated she called 911. She said a guy that lives two houses down named James came over and advised the suspect crashed his car. She said a guy named Tony met Canton PD at the door, and they came inside. She said the suspect yelled "not them call the Sheriff's". She said the suspect started fighting with Canton Police and put him in hand restraints. Shannon completed a voluntary witness statement. Tony and James were no on scene and no one knew their last names.

Sgt Vaughn arrived on scene, and Canton PD advised they will be handling the incident.

Issued body cameras U-262, U-175, and U-161.

INCIDENT - SUPPLEMENTAL NARRATIVE (continuation)

Deputy Carnahan and I responded to 1822 Sherrick Dr SE regarding a male refusing to leave the property. While enroute, Deputy Carnahan U262 arrived first and requested I expedite my response due to the suspect being unresponsive inside the business. Upon my arrival I observed a vehicle crash near 1700 Sherrick Dr SE in Canton PD's jurisdiction. Canton PD was already on scene and Canton City FD arrived on scene soon after and began treating the suspect. I spoke with Canton City Officer Burch Badge #162. Officer Burch stated that Officer Schoenegge Badge #294 and him were responding to a report of a vehicle accident near 1700 Sherrick Dr SE. Officer Burch stated that he arrived before Officer Schoenegge and was advised by a patron, Anthony Cakanic, that the driver of the vehicle was inside the business at 1822 Sherrick. Officer Burch and Schoengge respond to the AMVET and make entry to the business through the front door. Officer Burch stated that the suspect then started arguing with them. Officer Burch stated that the suspect then began to fight them for approximately 30-40 seconds before they were able to take the suspect to the ground with the help of a couple of the patrons of the business. Officer Burch advised that the suspect was then placed in hand restraints. Officer Burch then went back to the crash scene to get his cruiser. Upon returning to the AMVET, Officer Burch stated that when he entered the business the suspect appeared quieter than when he left. Officer Burch then called for Canton FD to respond after observing that the male was unresponsive. At this point Deputy Carnahan U262 arrived on scene.

I spoke with Ralph Mosteller Jr. who stated that the suspect came into the back of the business and was yelling that someone was going to kill him. Ralph stated that the suspect then yelled for someone to call 911. Ralph stated that he observed the suspect pull something out of his pocket and place it in his shoe. Ralph stated that the suspect then walked toward the front of the bar where he was asked multiple times to leave the bar but refused to leave. Ralph stated that Canton Police Officers then came into the bar and were trying to apprehend the suspect. Ralph stated that he and an unknown patron assisted Canton PD in restraining the suspect. Ralph stated that after Canton PD was able to get the suspect into hand restraints the suspect was laying on his stomach with his hands behind his back. Ralph did provide a written statement. Anthony was also located and provided a written statement.

Deputy Carnahan will be providing a supplement on his portion of the investigation.
