Narrative:

On March 05, 2021, at approximately 1900 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent Jim Mulford interviewed motorist Pamela Williams (Williams) at the scene of a fatal shooting incident between Andrew Teague (Teague) and members of the Columbus Division of Police (CPD) and Franklin County Sheriff's Office (FCSO). The contact with Williams took place on I-270 NB while she remained in her vehicle (White Buick SUV).

This interview was audio recorded and a copy of the recording was saved electronically within the casefile. Multiple interviews were conducted on the same digital recording. Please refer to the recording for specific quotes. The following is a summation of the interview:

Williams explained she was in her vehicle traveling northbound on I-270 when she observed a semi swerving and then multiple accidents in front of her. She then noticed a black male (later identified as Andrew Teague) running southbound down the right side of the road carrying a handgun. She could not remember what clothing he was wearing, but thought he may have been wearing a blue sweatshirt. Williams said she then noticed multiple officers advancing towards Teague from both the north and southbound direction. Williams stated she witnessed Teague raise his firearm and pointed it at law enforcement. At that time, she crouched down in her vehicle and heard several gunshots. She was unaware of who fired the gunshots. After the shots, Williams stated law enforcement immediately began providing medical attention to Teague.

Williams had no further information. The interview concluded.
