Narrative:

SUMMARY:

On Tuesday, June 18, 2024, BCI Special Agent McClintock and Crime Scene Technician Rostocil assisted Sergeant Dawn Schismenos and the Wadsworth Police Department with the processing of an outdoor scene located at 223 Durling Dr, Wadsworth, Ohio 44281 in regard to an Officer Involved Critical Incident. The scene was photographed as it was found, and evidence was collected. The scene was further documented using a Leica BLK360 laser scanner and a small, unmanned aircraft system.

DETAILS:

On Tuesday, June 18, 2024, at 2200hrs, SA McClintock was contacted by SAS Edward Lulla and was requested to assist Sgt. Schismenos and the Wadsworth Police Department with the processing of a backyard in regard to an Officer Involved Critical Incident. SA McClintock arrived on scene at approximately 2300hrs and learned the following: Officers responded to 223 Durling Dr. Wadsworth, Ohio in regard to a suicidal subject armed with a firearm. On arrival, officers located the subject in the backyard in a lawn chair. Officers attempted to negotiate with the subject. Two officers shot the subject. One officer was located on the garage roof to the south of the subject and two other officers were located on the north wall of the house. One officer from each location shot toward the subject. The subject was identified as Shannon Sloan (06/28/1969, W/M).

The scene was examined for items of suspected evidence. Three areas of evidence were found. The north side yard where two officers were located, the backyard where Sloan was located and the garage roof where the third officer was located. All three areas were photographed as found. Numbered placards were placed near items of suspected evidence. The scene was photographed with the placards in place. SA McClintock further
