

G. F. Silliman's survey of said canal property through the village of Canal Dover, and being a tract seventy-five (75') feet deep fronting on the southeast curb of said street between said stations, in the city of Dover, Ohio, and containing three (3) acres, more or less.

Upon examination of this lease, which is executed by you under the authority of an Act of the 89th General Assembly enacted April 29, 1931, 114 O. L., 541, I find that the same has been executed by you in your official capacity above stated and by Harry Snyder in the manner provided by law.

Assuming, as I do, that this property has not been designated for state highway purposes and that no application for the lease of the same has been made by any of the corporations or persons having prior rights to the lease of this property under Section 8 of said Act, I find that the terms and provisions of this lease and the conditions and restrictions therein contained are in conformity with the above mentioned Act of the legislature and with other related statutes. I am, therefore, approving this lease, as is evidenced by my approval endorsed upon the lease and upon the duplicate and triplicate copies thereof, all of which are herewith enclosed.

Respectfully,

HERBERT S. DUFFY,

Attorney General.
